

Radicalism is Civil War.

There never was a people, says the New York Express, who trusted their Government to Radicals, without ending in civil war.

Here, in our country, Radicalism often puts on the garb of Religion. So, did it in Greece and Rome: It was ever full of "the gods," and of omens, and the "entrails of beasts."

Of course, men of such schools, and such minds, can never govern, not even themselves. They brought about in this country one civil war, and endless taxation upon us, and they are rapidly getting up another.

The Boot on the Other Leg.

The statement that Governor Swann, of Maryland, proposes to remove the Police Commissioners in Baltimore, is accompanied by the report that the Radicals will by force resist the removal, contending as they do that the removal cannot be made until after conviction upon a regular trial in the courts.

WHAT DO YOUng MEN MARRY?

Some young men marry dupes; some ears; some noses; the contest, however generally lies between the eyes and the hair. The mouth, too, is occasionally married; the chin not so often.

THE FISH WAY COMPLETED.

We are gratified to learn, from the Wrightsville Star, that there is a fair prospect of a free passage of shad and other fish up the Susquehanna, during the season. The Star says: "The schute or fish-way in the dam below this place has been completed by the Susquehanna canal company, and is now ready for the purpose for which it was designed."

General Grant's pay is \$18,678 per year, and Lieut. General Sherman's \$13,518. Each is allowed fifty horses. A Major General gets \$5,800 per year, and is allotted five horses. The pay of a Brigadier is \$3,950.55.
