awaiting you? We have no rights which are wrongs

to other people. Those persons who do most good deeds are least conclous of it.

Judgment is the throne of prudence and silence is its sanctuary. God's people are bound to study to promote God's glory.

The devout life is life rendered up as an offering on the alter of Human-

The truly grateful heart may not be able to tell of gratitude, but it can feel and love and act.

The essence of the devout life is consecration, devotion to unselfish, humane, holy ends. It must be life.

work with, for those who will. Because God has promised bread to those who ask him, does not follow that Christians are not to seek out

and feed the hungry. Love to Christ, and holy zeal for the salvation of men, are alembies in which virulent hostilities are melted and old friendships cemented with

new strength. As the laplardy brightened his hard diamond with dust planed from itself, must we clear hard scriptures by others that are more plain and per-

The Sunday-school is the nursery of your future church and the only guarantee you have that it will have future or even a continuous and healthful life in the present. what is that church worth that nog- J. BLAKE WALTERS, lects the spiritual instructions of the young?

The great want of the Church now is not learning, nor orthodoxy, nor pi-ety "resigned" to the course of providential events; but a manly, earnest, steadfast, personal consecration of believers to the daily work which the Lord of the vineyard summons his

have leasure to be critics and lookerson. We who are in the tress and press of the great battle have no time to be fault finders and satirists of others' performances, but to take heed to make our own calling and election

Lost wealth may be regained by in-dustry; the wreck of health restored ted friendship soothed into forgetful.

ness; and even forfeited reputation redeemed by patience and virtue But whoover again looked apon his vanished hours? recalled his wasted years, stamped them with windows.

DENTISTERY by temperance; forgotten knowledge may be ours again by study; aliena-ted friendship soothed into forgetfuleffaced from Heaven's record the fearful blot of wasted life?

At the present time a voice come up from every part of the land, that the work of recraiting goes on cheerily, and many are proclaiming their readiness to become good soldiers of Christ. What will be the result? Will ily, and many are proclaiming their Scrivenes and Conveyances, and readiness to become good soldiers of Chearled, Pa. Prompt attention gives to all burians connected with the county offices. Office with Hen. Wm. A. Wallace. Jan. 1, 1866-tf. Will they become a power in the Lord's camp? Will they with all their heart and soul, redeem their pledge?

FORCEE & GRAHAM, Will they, in falling into the ranks, render the service which is reasonably General Merchandise and Lumber, expected of them?

I has often been a matter of regret that the Church may receive large ingatherings without any future evidence of the Peace, and Licensed Conveyances, New Washington, gatherings without any future evidence of the Peace, and Licensed Conveyances, New Washington, gatherings without any future evidence of the Peace, and Licensed Conveyances, New Washington, and Clearfield county. Pa. 120.120. dence of proportionate strength. It would seem as if many imagined that was required of them was to clearfield county, Fa. Collections and remittances promptly made, and all kinds of legal indeclare themselves on the Lord's side, struments executeed on short notice, and having done this, settle down in inactivity, as if their work was done. J. R. M'MURRAY. The church is filled, and yet evinces be a worker. The field is wide, and |. for every willing heart an appropriate

do we behold? Anything like a union of hearts and hands for the further ance of the gospel? Anything like the presence there of an intense desire that the kingdom of God may speedily come? Anything like a universal renunciation of fashion as a rule of faith and practice? Anything like a stirring up of professed disciples to take hold upon the promises, and, with prevailing toil, subdue the enemies at the vailing toil, subdue the enemies at the gate? Alas! alas! out of every hundred communicants, how many tens are there zealous to keep and perform their vows? How many who are ready to prove their faith by their works? How many act as though they recognize the existence of any new or special obligations resting upon them by reason of their connection with the Lord's people? If Jerunalem were now searched with candles by the Great Handles by the Great Handles by the Great Head of the Church, how many could abide his scrutiny and be approved as "faithful."

The interference of mind and will with the course of nature is no doubt more intelligible to us as taking place through human action, than if we transcend human action. But we are now speaking of possibility, in a strict logical sense. And, although we are entirely ignorant how the Creator can GENT.'S PATENT LEATHER BOOTS, change the course of nature otherwise than through man, it seems clearly unreasonable to affirm that such other interference is impossible, because we knew nothing about it. If there are invisible beings in the universe, why should they not have some power of at one, are made new. acting upon the course of nature? far as analogy is any guide, the fact that we, by our volitions, can alter the that we, by our volitions, can after the course of things without violating laws, would suggest a presumption that the same thing can be done in Na. 137 North Third St., Phila. March 21, 66.1y. that the same toing can be done in other ways of which science simply knows nothing and about which imagination cannot with much advantage exercise its power of conjecture. Will be sold on reasonable terms. Apply to M. Honzin, Warrier's Mark, or C. D. Watson, Clear it is conceivable, therefore, that prayer relating to definite physical ends might be answered without the appearance of the slightest departure from the ordinary course of nature.
