TaurspaymmumFebruary 14, 1867.

Those persons holding Bounty bonds will learn something to their interest er column.

David Buck, has purchased the right pleasure for us to find in the above Byr. of this county for a new "Patent Beam work so large an amount of informa- Com, shelled, and Ready Reckoner," and offers for tion and of such a valuable character, sale, at reasonable figures, township on principles, which should be well rights or single scales. This scale will understood by every intelligent man, rights or single scales. This scale will inderstood by every intelligent man, tell the correct weight of an article, and at the same time indicate the cost, at any given price. We advise our numerous merchants and retailers throughout the county, who are in most important business transactions.

Inderstood by every intelligent man, Transity seed, 128 Beans, 12 Bea throughout the county, who are in most important business transactions need of a good scale to purchase from of our daily life. The compiler has en-Mr. Buck, as he as well as the scale joyed the honor of being "Professor of will do exactly what he represents. Law" in the University of New York

last, the "Mountain Orchestra" in con. substance of over one hundred lectures nection with the "Philipsburg Cornet delivered by him to students of that Band," gave a concert in the Court institution in this work, with five House, on Thursday evening last. In thousand questions, of such general the afternoon of that day the troupe, utility, that the author believes any about twenty five in number, entered student able to answer them would town, playing their favorite pieces, and have no difficulty in attaining admis Mr. R. NEWTON SHAW to Miss MARY JANE while passing along the streets attracted much attention. A large au. it as one of the best works for general dience of ladies and gentlemen were use we have seen for a long time. The in attendence in the evening. The entertainment gave general satisfac.

It can be seen at the Prothonotary's tion and was highly credible to the office. performers, For the compliment paid us at our home, after the close of the exhibition, we return our thanks.

The next morning the party left for the next morning the party left for th Curwensville playing their melodious up, or have them to come here ocea- whom

A Lecture.

The following correspondence between some of the citizens of this place and Mr. Swoope fully explains itself:

CLEARFIELD, PA., Feb. 9, 1867. quest your consent to deliver such eral wish of the public.

D. F. ETZWEILER, A. M. HILLS, J. S. Showers.

CLEARFIELD, PA., Feb. 11, 1867.

To J. B. McEnally, Esq., and others:

It will give me pleasure to comply with your request, and if the plan meets your approval, I will deliver a Lecture on "Chemical Force," to be illustrated with apparatus and experiments, in the Court House, on Thesday evening the 26th inst; the product of the plan with the Armeter restriction, will supply used that tertain tract of land stunts in literature of stunts in litera

THE "CONFIDENCE" GAME.—Two strangers, named James A. Neill and winder the right flug, and stop your rived from California, were swindled out of 5 000 in gold in New York, on Sunday, by a couple of sharpers, one of whom instituted himself into their confidence and introduced them to his necomplice, who was to give them the

ceeded in making agrangements with in testifying that the testimony given twenty-two rovenue officers (all "loyal before that committee by Hoan and men," too, no doubt,) to engage in Snevil was netrue. Hone and Snevil snauggling goods from Canada into had previously made affidavits before the United States. The Yankees have now a good enough Reciprocity Tren- ing to implicate Jefferson Davis and ty with Canada, in the present infaothers in the conspiracy to assassinate For sale Abute and Lot, or Market mous tariff. They smuggle all the Abraham Lincoln, and before the comforeign goods they need from Canada, mittee they acknowledge that these and compel the rest of the country to nilidavits were false, and fabricated by pay exorbitant prices for their own maintenance was called before maintactures. The other day every the committee, and testified that the Shar pawed both House of Congress, and manufactures. The other day every the committee, and testified that the New England member of Congress volted to reduce the duty on Nova Scotia coal, an article which they consume very heavily, and find at the same well as the Legislature of Missouri, waller these ended to the duty on Nova Scotia coal, an article which they consume well as the Legislature of Missouri, waller these ended to the duty on Nova Scotia to reduce the duty on Nova Scotia coal, an article which they consume well as the Legislature of Missouri, waller these ended to the duty on Nova Scotia to reduce the duty on Nova Scotia coal, an article which they consume well as the Legislature of Missouri, waller the same well as the Legislature of Missouri, waller the same well as the Legislature of Missouri, ted to reduce the duty on Nova Scotia coal, an article which they consume very beavily, and find at the same time, too "unhandy" to smuggle through by the underground railroad.
