THE REPUBLICAN.

THURSDAY.....May 16, 1867.

Fresh Garden Seeds, from Dreer's, Philadelphia, just received and for sale by Hartswick & Irwin.

The firm of Showers & Graham has been dissolved. Those interested in their welfare, will please pay attention to their card in another column.

ICE CREAM.—An ice cream festival will come off at Mrs. S. J. Row's, on Saturday evening, the 18th—the proceeds to be applied to making repairs in the Lutheran Church edifice.

Our friend Lloyd of the Rail Road House, Philipsburg, will accept thanks for baiting us with fresh Shad, which we presume have either jumped the dams or the Allegheny, in getting to that place. They are easily confiscated.

"Pem." Kratzer has a periodical way of letting the public know what he has got, as his monthly productions state. He has more faith in printers' ink than in "greenbacks," though he admits the necessity of the latter in keeping store, without the former.

Messrs. Hartswick & Irwin have lately been getting a great many new things in their line, that are very useful and cheap. They are making paints, oils and varnishes a specialty in their business, and in due time will more fully announce themselves to the public.

BASE BALL.—We are requested to state that the Chincklacamoose Base Ball club will meet at their usual place of business, this (Thursday) evening, at 7 o'clock. It is hoped that all the members will be present, as business of importance will be transacted.

Dr. Marquam, the noted Uriscopian Physician of New York city, is now at Mrs. Robert Wallace's, Clearfield, Pa., and will remain two months, for the purpose of treating all old chronic diseases. Those wishing treatment had better bring with them one ounce of urine in a clean vial.

Candidates and their friends are becoming inquisitive as to the proper time of announcing names for the approaching primary election. We would just state that no names will appear in the *Republican* until after the 6th of June, as the election will not be held until the 13th of July.

Joseph Shaw & Son have been to the city and secured a large supply for their their old and new customers. Their patrons had better call soon and secure their spring supply, or their stock, the cream of it, will be carried off by those enterprising individuals who are found early and often in market.

We are surprised to see children wearing shoes with ragged holes at the toes—wasting their parents' money, and endangering their health, when for a trifle more, shoes with copper or the new and beautiful silver Tips can be had which never wear out at the toes, thus preventing these two serious evils.—*N. Y. Post.*

Mossop is in the city, and is daily sending home large boxes and barrels filled with those things that revive and energize the body, and go to fill up the blanks that occur in passing along the highway of life. It would be well enough for the curious to call at his establishment and see whether he is dealing in anything contraband.

DROWNED.—We learn that Cortes Bloom, of Curwensville, was drowned at Shamokin dam on Saturday last. He was in company with John W. Haslett, who had charge of two rafts, and in attempting to run the schute were forced out over the dam, causing the death of Mr. Bloom, and seriously injuring a Mr. Lindley, who was on the rafts with them. Mr. Haslett we believe escaped injury.

ANNOUNCEMENT.—Mr. John F. Rote desires to announce to the citizens of Clearfield and vicinity, that he has opened an *Ice Cream Saloon* for this season, and will have ice cream on hand every Saturday evening, and as often during the week as he may deem necessary. He has a good room, furnished for the accommodation of ladies. He would also state, that there will be no malt liquos sold in his saloon during ice cream season.

FILLING UP.—We observe that our Merchants are all replenishing their stock with spring goods of an excellent quality and at exceedingly low prices. Our country cousins need not fear that they will be disappointed or imposed upon by patronizing those of our business men who advertise their goods and wares; for by reading their advertisements, the reader will always know where to go to get just what he wants before coming to town. After he arrives here, the only question he has to settle is, where he can purchase the best goods for his money, and this he will soon learn by calling around, examining the articles he needs and learning the price.

Why is a weathercock like a loafer? Because he is constantly going round doing nothing.

A Letter.

UNION TOWNSHIP, MAY 7, 1867.

Mr. GOODLANDER:—We have been waiting to see if your business men, and those of this locality, would do anything in reference to improving the public road leading from Clearfield to Luthersburg. As the railroad is a sure thing to your place, within the next year, we hope a joint effort will be made in this matter. If the location of the road is changed, so as to avoid Moose Hill, and otherwise put in order to Luthersburg, it will be the route from the West. The distance from "Moore's Mills" to Curwensville and Clearfield is about the same, with no probability of a passable road ever being made to the former place. We think it high time to move in this matter. The route over the Barrens places this township six miles nearer the railroad than by Curwensville and Luthersburg, and those west of that point, about four miles, and by a re-location of the "Wolf-path" it can be made the best road in the county. The route can also be improved and shortened by going down Cupler's run to Anderson's creek near Henry Bailey's. We see that your town folks are investing fifty or sixty thousand dollars in churches, which is all right; but we think that in a business way, they might extend a little charity to the benighted in this neck of woods. Whenever your neighbors have a short and good road to travel on, you can pass over it too. Mr. Goodlander, please stir up things down there.

Yours, CITIZENS.
