THE REPUBLICAN.

THURSDAY.....June 6, 1867.

NOTICE.—The Rev. Mr. Pringle will preach in Kerrtown on Sabbath, the 16, as follows, viz: At the school house on the turnpike, near Dr. Potter's, in the morning, at 10 o'clock. At Bridgens' school house, on Kartzer Hill, in the afternoon, at 2 o'clock. And at Irvin's school house at five o'clock in the evening.

MAPLE SUGAR.—Mr. H. W. Smith has received and is now selling a prime article at his store on Market Street.

Super Phosphate of Lime, ground Bone Dust and other fertilizers necessary for farms, for sale at Hartswick & Irwin's.

We direct the attention of School Directors to the notice published in this issue for a call to organize a Directors' Association on court week.

We learn that one hundred students are now attending the Normal School at Curwensville. We hope that a few years more will wipe out the standing complaint of incompetent teachers.

A RARE CHANCE.—We direct the attention of business men to the card of H. W. Smith, in our advertising columns. He offers his entire stock of goods for sale; and as a business stand there is none better in town.

The Saint Louis *Times* records the gratifying fact that from all portions of the State, the most encouraging reports come in regarding the condition of the crops; and the prospects for an abundant harvest were never more favorable in Missouri than at the present time. This seems to be the case generally throughout the country, and it looks as though a death blow would soon be given to high priced flour.

NOTICE.—There is a squad of small gamblers about town, who are in the habit of carrying off our "quads," (to use as "chips," we presume,) and forget to bring them back. We would be obliged to them if they would return those they have yet in their possession, and hereafter let them alone. We have on several occasions lately found them on the side walks in the morning before the little "black legs" would get out. If they will gamble, we ask them to find their own "chips" and cease their raids upon our "quad boxes."

Purgative Pills have become a settled necessity with the American people. Indeed, cathartics always have been and must be used, in some form, by all mankind. In this country, the pilular form of administration has been growing in favor since pills were first made of Aloes and Rhubarb, rolled in a ball. Their high position in the public confidence has finally been secured and fastened into permanency, by Ayer's Cathartic Pills, the most skilful combination of medicine for the diseases they are intended to cure, that science can devise or art produce. Those who need pills, no longer hesitate what pills to take if they can get Ayer's Pills.—*Wheeling (Va.) Press.*

NEW TURNPIKE.—An act to incorporate the Summit Turnpike Road Company was passed at the last session of the Legislature, authorizing the making of a road from or near Edward Albert's, on the Philipsburg and Curwensville turnpike, to the railroad at the Baughman farm, about two and a-half miles, and from thence to the township road leading from Philipsburg to Kylertown, at or near the Waring farm, a distance of three and a-half miles, with authority to continue the same to Centre Hill, on the Snow Shoe turnpike. We understand that the company has been organized, the stock taken, and that the road will be put under contract at an early day.

This road will be of great benefit to the public, and will be located, as indicated by its title, on the summit, where no doubt a good location will be obtained.

The New York *Express* says, the impeachment dodge, which has cost the Government so much money through protracted Sessions of Congress, will result in a miserable failure, we hear. Even the Radical majority of the Committee cannot be worked up to carry out the programme of Ashley & Co., and on Monday last, by a vote of five to four, passed a resolution that there was no grounds for impeachment.

A dispatch from New Orleans says that advices leave no room for doubt that Maximilian has been shot before this. The feeling against him is intense. All Mexican officers in the Imperial army will receive no mercy. The reply of Juarez, occupying a column in a Brownsville paper, to Minister Campbell, bearing date April 22, positively refuses to spare the life of Maximilian if captured.

A large meeting of negroes was held in Hampton, Va., last week, and confiscation, social equality, the privilege of rooms at hotels, &c., insisted upon. They are fast paving the way to their own destruction.

The Buffalo papers are excited over the appearance on the street of a husband of ninety, carrying his infant of eight months, while his wife of seventeen walks by his side.

It is said that fourteen cardinals will be created by the Pope at the grand consistory to be held at the festival of St. Peter.
