THE REPUBLICAN.

THURSDAY.....July 11, 1867.

Both Bank Reports appear in our issue to-day, and present a healthful state of finances, notwithstanding the tightness of the money market.

SALESMAN WANTED.—A first class Clothing House in Philadelphia, wishes to employ a Salesman in this county. See the advertisement in another column.

We call the attention of our readers to the advertisement of Messrs. Flegal & Ganoe, of Philipsburg, who have entered into Co-partnership, and intend to do business at very low rates.

We are pained to learn of the sudden death of Mr. Jacob Hubler, one of the oldest settlers of Graham township. He fell dead, while at work in his field on the 4th instant, aged about 67 years.

BOOM AND LUMBER CO.—It will be noticed that the corporators of the Chicklacamoose Lumber and Boom company, have opened their books for the subscription of capital stock to the company. This a rare chance for the investment of capital, which must prove remunerative to the stockholders and a blessing to the country.

The celebrated Uriscopian Doctor, (whose sands of life have not quite run out,) who had been tarrying among us for some time past, eloped one day last week, much to the surprise of his half-cured patients, and thus compelling them to fall back to their first position. Humbugs will never die out while *wise* people support them.

By reference to our advertising columns it will be observed, that application has been made to the Court of Common Pleas, for the incorporation of the "Clearfield Saving and Building Association." This is a step in the right direction, and will result in the formation of an enterprise that should commend itself to the favorable consideration of the citizens.

GOING TOO.—It appears that one after another of our leading citizens are withdrawing from among us, and are casting their lot elsewhere. We have just learned that our esteemed friend, Capt. John S. McKeirnan, of Gulich township, is about removing, with his family, to Pittsburg. He has received a lucrative appointment from the officers of the Pennsylvania Railroad, who seem to understand and appreciate his honesty and rare abilities. A fine field for promotion is now before him, and we have no doubt of his success, as he is possessed of much executive ability, and always does his business at the right time.

The hot weather the past week we observe, has closed nearly all the fashionable churches in the large cities *for repairs*, and a number of the clergy have obtained a furlough and sailed for Europe. Religion is therefore suspended in those temples until after the hot season. How refreshing such vacations would be to some of the backwoods veterans who sport a salary of $500.

The Surratt trial closed on the part of the Government on the 6th insant, and opened on the part of the defence.

A despatch from Virginia City, Montana, brings intelligence of the death of General Thomas F. Meagher, Governor of that Territory. He, it is said fell overboard from the deck of a steamer and was drowned.

The chairman of a party Managing Committee issues a call for a meeting of Congress! To what depths are the American people to descend after this?

Hundreds of emigrants are lying about the railroad depots in Chicago in a destitute condition.

LATEST FASHIONS DEMAND
J. W. Bradley's Celebrated Patent
DUPLEX ELLIPTIC
(OR DOUBLE SPRING)
SKIRTS.

THEY will not bend or break like the Single Spring, but will preserve their perfect and graceful shape when three or four ordinary Skirts will have been thrown aside as useless. The Hoops are covered with double and twisted thread, and the bottom rods are not only double springs, but twice (or double) covered, preventing them from wearing out when dragging down stoops, stairs, &c.

The wonderful flexibility and great comfort and pleasure to any lady wearing the Duplex Elliptic Skirt will be experienced particularly in all crowded Assemblies, Operas, Carriages, Railroad Cars, Church Pews, Arm Chairs, for Promenade and House Dress, as the Skirt can be folded when in use, to occupy a small place as easily and conveniently as a Silk or Muslin Dress, an invaluable quality in crinoline, not found in any Single Spring Skirt.

A lady having enjoyed the pleasure, comfort, and great convenience of wearing the Duplex Elliptic Steel Spring Skirt for a single day will never afterwards willingly dispense with their use. For Children, Misses and Young Ladies they are superior to all others.

The Duplex Elliptic is a great favorite with all ladies and is universally recommended by the Fashion Magazines as the Standard Skirt of the Fashionable World.

To enjoy the following inestimable advantages in Crinoline, viz: superior quality, perfect manufacture, stylish shape and finish, flexibility, durability, comfort and economy, enquire for J. W. Bradley's Duplex Elliptic, or Double Spring Skirt, and be sure you get the genuine article.

CAUTION—To guard against imposition, be particular to notice that skirts offered as "Duplex," have the red ink stamp, viz: "J. W. Bradley's Duplex Elliptic Steel Springs," upon the waistband—none others are genuine. Also notice that every Hoop will admit of a pin being passed through the centre, thus revealing the two (or double) springs braided together therein, which is the secret of their flexibility and strength, and a combination not to be found in any other Skirt.

FOR SALE in all stores where first class skirts are sold, throughout the United States and elsewhere.

Manufactured by the sole owners of the Patent,
WESTS, BRADLEY & CARY,
97 Chambers, and 79 & 81 Reade Sts., New York.

HOW TO SAVE MONEY.

THE times are hard; you'd like to know
How you may save your dollars;
The way to do it I will show,
If you will read what follows.

A man who lived not far from here,
Who worked hard at his trade,
But had a household to support
That squandered all he made.

I met him once. Says he, "My friend,
I look thread bear and rough;
I've tried to get myself a suit,
But can't save up enough."

Says I, *my friend*, how much have you?
I'll tell you where to go
To get a suit that's sound and cheap:
To REIZENSTEIN & Co.

He took what little he had saved,
And went to Reizenstein & Brothers',
And there he got a handsome suit,
For half he paid to others.

Now he is home, he looks as well,
And their effect is such,
That when they take their daily meal,
They don't eat half as much.

And now he finds on Saturday night,
With all their wants supplied,
That he has money left to spend,
And some to lay aside.

His good success, with cheerful smile,
He gladly tells to all,
If you'd save money, go and buy
Your clothes at—
REIZENSTEIN'S CLOTHING HALL.
