LATEST FASHIONS DEMAND J. W. Bradley's Celebrated Patent DUPLEX ELLIPTIC (OR DOUBLE SPRING)

SIZINE.

THEY will not bend or break like the Single Spring, but will preserve their perfect and graceful chape when three or four ordinary Skirts will have been thrown sride as ascient. The Hopps are severed with double and twisted thread, and the bottom rods are not only double springs, but twice (or double) covered, preventing them from wearing out when dragging down stoops, shalls, de.

The wenderful flexibility and great comfort and pleasure to any lady wearing the Duplex Elliptic Skirt will be experienced particularly in all crowded Assemblies, Operat, Carringes, Railrand Cars, Church Pews, Arm Chairs, for Promenade and Houre Drues, as the Skirt can be fulfied when in use, to occupy a small place as easily and conveniently as a Silk or Musing Dress, an invaluable quality in scinnline, not

Dress, an invaluable quality in ericolline, not found in any Single Spring Ekirt.

A field instring enjoyed the pleasure, comfort, and great convenience of wearing the Duplex Elliptic Steel Spring Skirt for a single day will never afterwards willingly dispense with their use. For Children, Missas and Young Ladies they are superior to all others.

The Duplex Elliptic is a great favorite with all laties and is univalently recommended by the Fashionalis World.

To suppy the following inestimable advantages in Crinolius, whi superior quality, perfect manufacture, stylish shape and fault, fincibility, durshility, comfort and scenomy, canquies for J.W. Bradley's Duplex Elliptic, or Double Spring Skirt, and he sirce you got the genuine artisle.

CAUTION—To gonera scalate imposition, be particular to action that altric efforced as "Duplex," have the read in stancy, vir. "25. W. Bradley's Duplex Elliptic Steel Springs," upon the waistland—none others are genuine. Also notice that care if these winds to grand through the centre, thus revealing the two lor double springs braided together therein, which is the secret of their dealbility and strength, and a combination not to be found in any other Sairt.
