

One of the best articles ever promulgated on this important subject, will be found on our outside this week, We bespeak for it a universal reading. The author, it will be observed. is Hon. Herschel V. Johnson, of Georing this letter because of its apparent is but a question of time. But to the length. It will be noticed that this is vote : The total polled in the city the second letter that Mr. Johnson was 6,974-Conservative, 3,878; Radhas addressed to Mr. Greeley. The ical, 3,596-divided as follows : 3,357 first fire drew the latter out of his whites and 21 negroes voted the Conworks, supposing that the former servative ticket, while 3,575 negroes had used all his ammunition; but and 34 whites voted the Radical tickdate of "the war for the Union" has three negroes. It will be noticed been routed "horse foot and dragoon" that Richmond produces only 21 de--a perfect Bull Run affair.

Philadelphia .Manufactures. We are somewhat astonished to no tice that the Quaker city of Philadelphia puts forth a claim to being, not only the greatest manufacturing city on this continent, but, with the excepgive a brief synopsis of its claims.

In 1860, according to the Census

The Negro Doomed. The fate of the black man to-day in this continent, is as visible as the States :

white race. This state of things has been brought about by Senator Wil-son, Congressman Kelley, Rev. Brown-low and Rev Hannieutt, agents of has favored our land with greatly preded and very abandant harvests. cent niggers, and but 34 mean whites, only one of which was born in Vir-

ginia, the rest hailing from Bosting.

"A Christian (!) .Advocate."

The political contest in New York, especially in the western part of the State, is carried on pretty strong, by tion of London, the greatest in the both parties. But it appears that the world. We are all familiar with its Radicals have stole a march on the advantages as a quiet and pleasant Democrats. While the Democrats, place of residence ; but that it should and all other decent people, have but claim to be a great industrial centre, six days to electioneer in, the Rads will be news to many. As the matter have appropriated to themselves also is one, however, in which our mer- the Lord's day, the seventh. For the chants are directly interested, and the two past Sundays, two stamp speechconsumers of goods indirectly, we will es have been made in nearly every Methodist church in that section of the State. The clergymen, instead of returns, there were in Philadelphia, preaching the gospel to their congre-6,298 manufactories having a capital gations, as they pledged themselves to of \$73,318,885, which employed 98,000 do, deliver themselves each morning hands, and produced an annual value and evening of an Abolition stump

nnonday sun. The Abolitionists and their socialistic backers have solved the reaction of the regarded as estabthe problem. The doom awarded to lished by national consent and approthe sons of Ham is now visible to all val, I, Andrew Johnson, President of except fools and fanatics. The result the United States, do hereby recomof the late elections in the Southern mend to my fellow-citizens that Thurs- D States is but so many milestones creet- be set apart and observed throughout day, the 28th day of November next, N States is but so many infestiones erected along the highway of their ex-tinction, or their return to slavery. Through the instrumentalities of the degraded whites, agents of the Negro Bureau, the black race, in ten States of this Union, is for the future arrayed in deadly hostility to the and devoutly give thanks to our Heav-white race. This state of things has only Father for the mercies and bles

the world, the flesh and the Devil, needed and very abandant harvests, who went among them and organized that He has caused industry to pros- of is Hon, Herschel V. Johnson, of Geor-gia, a prominent Southern statesman, and will be recollected as the candi-Know Nothing style; but instead of our workshops, in our mines and in our forests. He has permitted us to no date for Vice President on the ticket with Judge Douglas, in 1860. He is the teaching and swearing the negroes to multiply ships upon our lakes and op stracize Catholics and foreigners, rivers, and upon the high seas, and at gives the Southern view of this ques-tion-upon which hangs the union of these Souther area, or drive them out continent, and to guarantee speedy D these States and the future happiness of those States, so that the agents overland intercourse between the two as of the American people. Bosides, it of the Burean and their black allies overland intercourse between the two as is, literally, a "passage at arms" with may enjoy their property. To demon- to turn away from demestic contenis, literally, a "passage at arms" with Horace Greeley, than whom, no man has done more to ruin this country. In the point to the capital of Vir-ins done more to ruin this country. Mr. Johnson in this epistle entirely ginia. What occurred in Richmond the ancient ways of loyalty, concilia-Mr. Johnson in this epistle entirely guine that every town and county in tion and brotherly love. He has been union, by raising the veil by which he has heretofore covered his political mean whites combined and arrayed and commercial treaties with foreign heresies. In short, Mr. Johnson has themselves against the white race, at nations, while we have at the same confiscated the white-coated philoso. the ballot box. When the torch and time strengthened our national de- h pher. Do not be deterred from read. the cartridge bax will be substituted, fences and greatly enlarged our national borders.

While thus rendering the unanimous and heartfelt tribute of national praise and thanksgiving, which is so justly due to Almighty God, let us not fail to implore Him that the same tic Divine protection and care which we A have hitherto so undeservedly and yet had used all his ammunition; but and as whites force. J. W. Hunnicutt, used to our country and our people used to our country and our people the celebrated Judge Underwood, and throughout all their generations for m over

In witness whereof, I have hereunto = set my hand and caused the seal of the United States to be affixed. Done at the city of Washington, this twenty second day of October, in the year of our Lord, one thouand eight hundred and sixty seven, re and of the Independence of the United States the ninety second. ANDREW JOHNSON.

By the President : W.M. H. SEWABD, Sec'y. of State.

It will be noticed elsewhere, by the President's proclamation, that Thursday, the 28th instant, has been desig- II nated as a day of National thanks- = giving. We do not know whether the ten un-reconstructed States fall under this rule or not. It will take a "loyal" mind to fully understand these terms. This day will give the political clorgy a rare chance to manifest their hate for the "government" and their love for the negro.

The Norristown Register hoists the of \$136,000,000. Recently, Mr. Ed- speech, pitching into the Copperheads name of Hon. Thomas H. Seymour, win T. Freedley, a well known author, right and left. To this the Cops and of Connecticut, for President, and has prepared a volume of 700 pages, their newspapers protested, alleging Hon. Richard H. Stanton, of Kenon the Manufactures of Philadelphia, that the conduct of the Rads was tucky, for Vice President.
