THURSDAY, January 16, 1898.

Everybody buys their magazines, literary papers, and other periodicals at the Post office.

According to a late enumeration, Tyrone borough now contains a population of 1,529—783 males and 746 females.

Wm. K. Wrigley, Esq., County Treasurer elect, took the oath of office and entered upon his duties on the 8th instant.

Cyrenus Howe, Esq., the new Sheriff, having filed his bonds and otherwise properly qualified himself, will enter upon the discharge of his duties on Monday next.

Dr. A. M. Hills desires us to say that he will be in Phillipsburg on the first week of February, (8th to 14th inclusive), to attend all calls in a Dental way. Rooms at Lloyd's Hotel.

ANOTHER FUSS AMONG THE TAILORS.—The Tennessee plebian, for whom all loyaldom voted in 1864, was seen fit to remove the stay-at-home wide awake Postmaster at Curwensville, and appoint in his stead Oscar B. Welch, one of "the boys in blue," seriously wounded at that, while in the army.

A BUREAU OF STATISTICS.—We this week publish on our first page, a speech delivered in Congress by Hon. James Brooks, of New York. It should be carefully read and pondered by all. It is replete with argument and displays great research, and can never be successfully answered by any white or black nigger burlesque.

The regular term of our Court is in session this week, his Honor Judge Barrett presiding. The Commonwealth is likely to consume the whole business of the term. Should this same amount of business be dispatched the last three days of the week that there has in the past, the Commonwealth will be pretty well "rid up." There is room for reform.

Mr. John Dressler offers to sell, it will be noticed elsewhere, two good farms, underlaid with coal, the unimproved portion being covered with this best quality of pine timber. This property is situated directly on the line of railroad, that will be constructed in a few years, leading from Pittsburg to Philadelphia, and must, therefore, become very valuable.

A TRUE MAN.—The Democratic State Convention of Ohio assembled at Columbus, in that State, on the 8th instant, and, after nominating candidates for State officers, elected delegates to the next National Democratic Convention, instructing them unanimously to vote for Hon. George H. Pendleton for President. We voted for him once, and would like to vote for him again. Mr. Pendleton is the most consistent Democrat now above ground.

PENNSYLVANIA LEGISLATURE.—As stated last week, this body met at Harrisburg on the 7th. The Senate organized on the same day, but eight of the "oil" members of the House having bolted, no organization was effected until the 10th, when Davis (Rad.) was elected Speaker, by conceding to the eight voters the State Treasurer, and the control of the Committee. Senator Wallace was the Democratic nominee for Speaker of the Senate, and our young friend, A. W. Walters, was nominated for one of the assistant clerks.

SENATE PROCEEDINGS.—The body was called to order at 3 o'clock, by the Speaker pro tem. The Secretary of the Commonwealth appeared and presented the election returns for Senators. The clerk read the returns and requested the newly elected Senators to come forward and take the oath of office. The Democratic Senators protested against this extraordinary method, but the Speaker pro tem ruled them out of order. The roll was then called, and all the Senators answered to their names.

On motion of Mr. Fisher, the Senate proceeded to vote for Speaker, with the following result: Wallace (Dem.) had 14 votes and Graham (Rad.) had 10, a full and strict party vote. The balance of the election nominations were all elected.

The oath of office was then administered to the Speaker elect, by Mr. W. A. Wallace.

HOUSE.—The following proceedings took place in the House upon the election of Speaker.

Mr. Deise, (Dem.), of Clinton, presented the name of Richmond L. Jones, of Berks.

Mr. Thorn, (Rad.), of Philadelphia, presented the name of Elisha W. Davis, of Philadelphia.

OUR ENGINES AND SAW MILLS Are warranted to cut 10,000 Feet of Pine Lumber, inch measure, in Ten Hours!

TESTIMONIALS. THOMAS, Dist. Co., Pa., Oct. 23, 1883. J. H. Duvall—Dear Sir: We have been running your mill and engine constantly since we received it. We are cutting from 6,000 to 8,000 feet per day. Everything works splendid. Noisy journal heard of anything else gone wrong since we started. We saw you and give you the highest praise for the large that our saw work runs through. The little engine drives the saw through with as apparent ease as though the log was not half so large. We are quite satisfied that we can cut 10,000 feet per day.

PRUNER & BURLEY. SAMT REBER, Pa., July 27, 1883. J. H. Duvall—Sir: Our engine and mill works nicely, gives good satisfaction. We have saved from 4,000 to 10,000 feet of lumber per day. Yours, truly, A. S. RHINES.

LEAK CURT, Pa., Oct. 12, 1885. J. H. Duvall—Sir: Our mill and engine works nicely, and gives good satisfaction. We saved 10,000 feet of lumber in eight hours. Please hurry up my second mill and engine; this is money now. Yours, truly, A. S. RHINES.

From the Berksville Republican, Oct. 12, 1884. Good Service.—We are informed that on Friday last Mr. Duvall sent us 10,000 feet of lumber in eight hours, with the assistance of four hands besides himself. See the number required. The sawing was done on one of Duvall's portable saw mills, which Mr. H. has erected in Park township for our enterprising friend, Mr. A. S. Rhines. We don't think any mill in the county can beat this. Our lumber men should call and see the mill in operation.
