Hiram Hill, the Diver. TURES TEARS' LIFE AND LABOR UNDER WATER.

About twenty years ago Hiram Hill ry for strangers to convince them scoopted employment on Mess s. Eads that their visit is for a laudible pur. & Nelson's submarine bell-boats. In pose when these Virginia farmers will time he was installed as diver, and as give them a welcome such is seldom such we propose to speak of him. He met with. They talked freely of their remained in the employment of former condition of prosperity, and compared it with the dilapidation that eighteen years. Ha is now employed is now witnessed on every hand on Messra. Dugan & Co's, Underwri-

that buman nature can do to better their condition—some actually working as if they were beginning life anew, and with a zeal and energy that at least deserve's success.

Warrenton, the county seat of Fanquier county, is a pleasant village, situated on rising ground, surrounded by a very productive country. The cribitated Sulphur Springs are located near this point. The soil sof a reddish good quanty, and is certainly color, of well calculated for grazing purposes.

Charlottesville, the county seat of Albemark country, is also a pleasant town, much larger than Warrenton, with fine buildings, wide streats, and like most of the towns visited, with church edifices of nearly all denominations rearing their spires heavenward. This place is the seat of the celebrated University of Virginia—an institution of learning that has always bold a high rank in our country, and where most of the statesmen of Virginia, as also of other States, received their education. The day was when it compared well with either Harvard by is increased. Mr. Hill has informed to be applying them there were most of the tatesment of Virginia, as also of other States, received their calculation. The day was when it compared well with either Harvard by is increased. Mr. Hill has informed to the and was the fact by a self-acting valve at the side of the least. If the pump does not invasible successed. Mr. Hill has informed by its increased. their education.
