It offers to Grant the shadow of power, as a price for securing the reality to Congress.

Its success will bring you continued misgovernment by a Radical Congress, HORATIO SEYMOUR, the control of every department of the government by Radical domination and the perpetuation of its iniquities, its extravagance, its elevation of PLAIN AND FANCY BONNETS the negro, and its prostration of your business interests.

Says I, my friend, how much have you?
I'd tall you where to go
To get a suit that's sound and cheap:
To REIZENSTEIN & Co. He took what little he had saved, And went to Remeasters & Bruthers', And there he got a handsome suit, For half he paid to others.

Now he is home, he icons so well, And their effect is such. That when they take their delly meal, They don't cut half as much. And now he finds on Saturday night, With all their wants supplied, That he has money left to spend, And some to lay aside.
