The Radicals profess to be in favor

for our national malady. Our ailment is debt, aggravated by despotism."-SEYMOUR.

KENTUCEY STILL RISING.—The home of Clay is growing more Democratic every election. The majority for Gen. McClellan in this State in 1864, was 36,303; for Governor Helm, in

Argro Outroge in Michigan. Their Letters of Acceptance. We this week lay before our readers A horrible outrage was perpetrated the letters of Mr. Seymour and Gen. at the toll-gate house between Royal Grant, accepting the nominations for President. That of the former will be found on our first page, and below is that of the latter, taken from the

The Fadicats proteins to use in fact of impartial suffrage. Why, then, did their platform endorse negro suffrage in the South, and dodge the question in the North? *Our remedy is to use the public money to pay the public debt. It is a simple, brief, but a certain remedy for our national malady. Our ailment

STILL AT BUSINESS.—Judge Lynch is still doing business in loyal Indiana. Three men were hung last week by a vigilance committee. This makes seven in two weeks. Why don't the "christian-faced" Colfas qualt these riots in his own State? Can't he manage and control his friends?

Miscellancous Hems. The Church Union says, "Grant is not a fit man for a christian to support" This is certainly high authority.

summation as being highly unfortu-nate to myself, if not to the country." In 1868 the country agrees with him, in both respects, and takes him at his word.

New Barertisements. Married. On the Tik of May, 1863, by WHILLAR L. SEAW, Eeq., Mr. WHITTMER SELFEIDUR, of Usehen township, is Miss SARAH M. SHAW, of Law-rence Reweship.

mercial, an excessively loyal paper,

since the June statement was publish-ed, thirteen million two hundred and great engine of the plutocracy, to con-trol and command the labor of the city of the State" employed let its and to bear the name of the Pitteburg, eighty thousand dollars. The Radical party is as unfit to manage the na tional finances as the inmates of a

LOTAL NEWSPAPERS .- The carpet-Under such mal-administration total bankruptcy must soon overtake us. in for Correct. .the Decople in the West are a great people, and they do things in their lized certain parties to establish a paper in each parish in the State, to have all the legal advertising of the own way. This the Pittsburgh Comdon't like, and growls as follows: The Seymour and Bair rewdire at St. Jemph. Missearh, an Weinesday invalted Generals Graph ind Sherman by yelling, blowing its houses and otherwise diagracing themesires when these dis-tinguished gentlemen appeared on the haloony of the basit in repeate its the alloony of the basit in repeate its the alloony of the basit in repeate. It was a characteristic exhi-bitme of relies repeated at minimum. Why not 7. What square, but all the useless journals of was seriously proposed in 1866, to give up publishing in the official jour-nal of the State. This is on a par with the manage in sheat the state. This is on a par with

the mather is which the finds of the first as person to see an extra the second is the mather is seen as a mather is which the finds of the first as the matter is an it truly by all government are squandered in the South by publishing all advertices and is seen as the second is in "truly by all government." The people of St. Joseph had this lesson taught them two years ago by the loy al rowdies at Cleveland, In-dianapolis, and in other refined local ties, when the "government" and gains, spies and tools of the Radical party; they manipulate the negro of the tax-payers' money is they not only coslave white men, but they compel them to pay their is easion we will see more Deficiency will sile go on, and no doubt next, is astonishing what a great amount of Government accurities po-tations of the tax-payers' money is a standing all these insults to the President for manner in which they are paid. In they compel them to pay their

1867, it was 43,119; while the majority he shall pay, in interest alone, in ev-1867, it was 43,119; while the majority for Governor Stovenson, last week, was \$1,214. We have no doubt but system very dollar of the debt without really paying one cent of it. All the pretensions of the Radicals in Congress and out of it are but shams and humbugs, and as illusory as those of Mr. Pitt after the peace of Amiens. They postpone the payment of the national debt until the next century, and in the meantime tax the people.
Winnumperate our Government, to start

> cular before us is a broad, open con-fession that Radical legislation has prostrated the industrial interests of the State of Pennsylvania, and that it has entailed suffering and loss upon all classes of the community, and more especially upon the white work-ingmen. Let this fact not be forgotten by those who are most interested -the laboring classes - Phila. Herald.

CLAP TRAP .- The "trooly loil" papers boast that Congress cut down the appropriations at the late session. This boast has been made before. expedient. The present Congress has There is nothing for which the passed no less than three Deficiency Radicals are so earnestly longing as

brothers burning the churches and convents of our white Catholic citi-zons. That's what the *Tribuse* means.

"The entire English press favors the Republican ticket." And the entire Trars e Trish people favor the Democratic ticket. It is natural enough that the oppresses should desire the election of Grantand Colfax, and the oppress-ed that of Seymour and Blair. When Seymouris President, American na tionality will be respected all over
