Fox, the Reform tional throat, and the people look to regetic, and by their directors the importance and necessity candidate for Mayor; and, while every member of Congress to do his of grading teachers' wages according other portion of the ticket commands duty. Should this government pass the confidence and support of the wholly into the hauds of its enemies.

not plain that the war has fastened dalized at the alleged connection of General Blair with army contracts, index are manufacturing and are manufa partment, who are supported from the ublic treasury, and at the expense of your taxes! the tax paying community, thousands of whom are of no practical benefit to the Government? There is a large force of revenue cutters on the lakes and at sea, the gross benefits of which would not pay for the fuel that one of them uses. The Treasury Department admits its atter uselessness, and pays over one and a quarter million of

dollars per annum for its support. Our system of taxation, conducted as it is by men whom the Secretary thoroughly sick and disgusted with of the Treasury admits are too corrupt to collect the legitimate revenues be-longing to the Government, is used, in numerous instances, to oppress the ignorant and to relieve the knave from fair taxation. Why are these abuses so common here and so rare in despotie Europe ?

despote Europe r Our foreign trade has drained this country of its precious metals, and is still taking every dollar produced from our rich mines. It has taken over a thousand millions of our securities, endidate, have petitioned Conand is steadily creating a foreign mort- gress, praying for the same rights as gage on our whole national estate.

We have imported during the year er, Washburne, and the rest of the 1866, over \$300,000,000 of silks, \$67,-000,000 of wool and woolens, \$30,000,-000 of cottons, and \$20,000,000 of iron and steel, while our own factorics and howl about this disfranchisement of forges have been comparatively idle. the soldier ?

While our ability to pay taxes has diminished rapidly and largely, the demands upon us are kept far above what the real interests of the nation "No swind seem to require.

The people demand an early repeal of all taxes on American productions, except luxuries, and such an adjustment of the revenue laws as will secure to American citizens the benefits of
