Tills invaluable publication is for sale at the post office. It should be in the hands of every bomorest. It contains full election returns from every county in the United States; besides, the number for 1866 contains a complete list of the names of all the newspapers suppressed and mobbed during Lincoln's administration; and that for 1867 contains the names of all those of violians who were imprisoned during the same period. These two lists, for future reference, are worth more than the price of the publication. The number for 1868 is also full of valuable statistics. Any one sending 60 cents to the Post Master, will receive by return mail a copy for each year, tree of postage. [1225:11]
