amendment, nevertheless proceeds to prostrate any civil power that might and that no advantage can be taken announce that if the States of Ohio be supposed to stand in the way of the of a consent which has been obtained and New Jersey are to be counted as execution of this scheme, the civil by fraud. I had been taught by the digged for us the perrennial well of our liberties, and bade us drink of it for all generations-I had learned, or

believed I had learned, that perfect treedom from all restraint, compulsion or undue influence, is the very essence of all lawful changes in our constitu tional system. So, I am sure, they meant their system to be understood and acted upon; and so, I am equally confident, their descendants must regard it, if they mean to preserve their liberties. A PRABPUL PRECEDENT. This precedent is of fearful import. We are told that the Constitution of the United States has been changed in respect to the representative basis of the States; that the rule which we received from its framers, allowing the States to be represented in pro-portion to the relative number of their inhabitants, has been modified by the introduction of a new principle, which

ald reduces the representative basis of When we come to inquire how this
