ges. Read and reflect over the fol-lowing "titbit" of loyalty: From the Feilens of Nevember 2, 1960. "If the Conton States shall because satisfield that they can to better out to the Union shall shales right of any State to remain in the Union and mailing or drive the asset thread. There the Feilens of Nevember 20, 1860. "From the Feilens of Nevember 20, 1860. "From the Feilens of Nevember 20, 1860.] "From the Feilens of Nevember 20, 1860.]

DELAWARE — The result of the elec-tion held in Delaware on the 6th, will fill every Democratic heart with joy. In the city of Wilmington the Radical majority was only 22; In September it was 314; showing in less than a month a Democratic gain of 202 votes! Our renders will remember the noise South. It is as criminal as it is child, ish to speak of the repugnance of the white man to associate on equal terms with the blacks as a prejudice which ought to be corrected with a strong hand. If it be a prejudice, it is as strongly felt at the North as it is in the South, and it is a prejudice that statesmen are bound to consider. Not five men out of a hundred anywhere North of Maryland would be willing if they went to the South, to seed their daughters to schools half filled

TAXATION -- DEDT. -- The public mind is justly and rightfully agitated on the important subject of taxation. This is the only burden industry and pru-dence cannot remove. If a man buys a house or lot, on credit, and has on it a mortgrage or a ground rout has the sector of the test of the sector of the test of the sector of the test be the sector of the test of the sector of the test of the sector of the test best to and the the principles which led to its statesmen are bound to consider. Not it as mortgrage or a ground rout has the test best to are bound to consider. Not the South, and it is a prejudice that statesmen are bound to consider. Not in the sector is not deserving of pub-its as the only burden industry and pru-fate has decreed that the blocd and reasons of the test bour to are blocd and reasons of the test bour to are blocd and transment if the south, and it is a prejudice that the south, and is the trime principles which led to its statesmen are bound to consider. Not defeat, and is the trime the finite with the groups, to sent their wives in a the area to the principles which led to its statesmen are bound to consider. Not defeat, and is the trime the trime is who are striving for a restoration of the bound the principles which led to its statesmen are bound to consider. Not who are striving for a restoration of the bound the principles which led to its states to the restoration of the states to their legitimate constitutions and constitutional rights.

denoe cannot remove. If a man buys a house or lot, on credit, and has on it a mortgage or a ground rent, he can, by economy, pay off or reduce that debt, and fash timself free; but he ennot get rid of the load the pub-lic puts on him. The heneme of the National Treasury falls short of the communication is ? Who Pays the Taxee 1 main sower. They will not reduce ax pones. They cannot the tax-payset in power. They will not reduce ax pones. They cannot the tax-payset in power. They will not reduce ax pones. They cannot the tax-payset in sower. They will not reduce ax pones. They cannot the tax-payset in sower. They cannot the tax-payset in sower are addicated and the tax payset in sower. They cannot the tax-payset in sower, the tax-payset in sower are due tax down and the tax payset fast of the tax payset the tax tax the second on the

prosperity of the South. The spectracle presented by this counters and the spectracle presented by this counters and the spectracle present of the spectracle present pres consign millions of white men in the Source of the Vacatod unit as confirmed by the Source of the Advantage of Constant and uncouth black men. And this po and uncouth black men. And this po and uncouth black men. And this po bo by pocritically perpetrated in the source of justice and religion.
 If the Radical party is suffered to car but this speaker Colfax and his friends
 but the same to compare the same to compare the same to compare the same the same to compare the s ry out its intamous purposes, then are our darkest days yet to come, and the people of this country, looking a few years hence upon their work, will cense to wonder at the folly and made ness which have brought destruction that all the appointments made since ness which have brought destruction that all the appointments made since
