# The Republican.

GEORGE B. GOODLANDER, Editor

### CLEARFIELD, PA. Thursday Morning, Nov. 5, 1868.

A vein of lead ore has been found near Hollidaysburg, by Mr. James Malone, a piece of which was smelled by F. B. Isett, and found to contain

Wednesday night.

Mr. Boyle, Democratic candidate for Auditor General, received a majority of 1028-the largest majority ever given to any candidate-in Fayette county, his home. His vote is 94 larger than Ent's. Good for Fayette.

## What is Avera Freedom?

The Shadow of a Mighly Name. Radical Preference of Argross What in fermer years we proudly to Foreigners. inclated and left to his own volition-would rapidly return to his African ern world" now stande the shadow of a standard, and if the four millions in mighty name ; and what to intelligent timents entertained toward them on playing "Bloeding Kausas" over again

standard, and if the four millions in might and start is intelligent intervery where appears most stranged on hundred years hence there would not be one of their descendants that ever heard of Lincoln's proclamation, or of Lincoln himself, or of anything the most earnest determination to even heard of Lincella's proclamation, or of Lincella's proclamation, in educational institutions have shown the most carnest determination to crush out every true principle of re-gibber away about new. This is no opinion or speculation—it is fact, or rather inductive fact—a simple, paipa ble, physiological necessity of the ne-gro organism, fixed and fashioned by the hand of God, and can no more be otherwise than a law of gravitation.

can be reversed, or any other degree to the most onerous taxation upon and adducing satisfactory evidence of in the South, and then the scoundrels, of the Almighty can be "reformed" or their food, clothing, and comforts, im- his good moral character before the who bring this about, are over yelling and inclusion of the reformed or their food, clothing, and comforts, im-

A bet was made in New York city Satarday of \$25,000 to \$10,000 that New York State would give Seymour over twenty thousand majority. Seth Sloeum, at one time the bosom friend and agent of Johany Steel, well known in the off region, is dead While Johany had pleuty, Seth lived fast. A vigilance committee recently hanged a man for murder, in lowa before the victum had died. It is mon-station of the the steel the state would give Seymour over twenty thousand majority. Seth Sloeum, at one time the bosom friend and agent of Johany Steel, well known in the off region, is dead while Johany had pleuty, Seth lived fast. A vigilance committee recently hanged a man for murder, in lowa state the victum is likely to recover. A vein of lead ore has been form a that the victum is likely to recover.

by F. B. Isett, and found to contain about 60 per cent. of lead. The President has pardoned Jones Atkinson, who has served fifteen months of a term of fifteen years into nativo wildness.
