soled the injured party, were allowed togo their way without being arrested. PRETRY POLITEXESS.—Next in impor-tance to children's health are their manners, and though the burden of keeping the little dears in conditions may be shared by the doctor, with fathers and mothers alone rests the responsibility that they come not to offend in matters of elignetic, either offend in matters of etiquotte, either now or in the future. The enforcement of the proprieties is a duty they owe, not only to their children, but to society at large, who cannot be expected to tolerate the unmanliness of other people's offspring upon the ground of peculiar temperament, etc, -too often the weak excuses of weakparents for their misgovernment. Let pertness, rudeness and improper itiveness then be put under correction, and the infantile world esperially advised to more liberal use, in conversation with their elders, of the proper handles which lately they have

scovered in a rat's next a roll prove it-and am sorry for it." of this amounting to \$250. About eight years ago one of the companies of the house lost the movey. At this time a young man named William graved in a space no larger than the nron of a nickle cent ?" "Yes, father; boarding at this house. As he was if a cent is as big in everybody's eyes the last one seen in the room prior to as in yours, there would be no difficulthe last one seen in the room prior to as in yours. More would be no differin-the lass, he was suspected of the cob-bery, and upon being arrested was convicted of the crime, rained in char-neter and sent to prison; becoming dissipated he wridently died on Elsek-well's Istand.
