THE REPUBLICAN.

CLEARFIELD, PA.

THE SUFFRAGE QUESTION. As the Fortieth Congress draws near to its final dissolution, it becomes more and more apparent that no con-clusion will be reached by it in relation 6 38 to the question of suffrage. Quite a see number of bills have been introduced in both Houses since the opening of the present session, providing for uni

shapes win tailors from the time they enter in the close of the Sensine.

The source of instruction embraces everything included in a thorough, possible and accomplished closentains for both serve.

The Principal, having had the advantage of much experience in his profession, ascures paramet experience in his profession, ascures parameter and guardians that his entire ability and smargies will be deverted to the mural and mental raining of the worth phase by the control of far greater moment, but, what is of far greater moment.
