moral ideas" have been enforced for Democrat. Hon. George W. Woodward, Chief Justice of the Supreme Court of Pannayivania, writes:

Philadelphia, Pa., March 10, 1888.

"IEad Hootsand" A dissesses the digest good tonic, useful in A dissesses the digest great baselt in esses of debility and want of nervous setton in the system. Yours, truly, Geo. W. Woodward.

Hon. James Thompson, Judge of the Supreme Court is the taking of a lalse oath. It is the outeropping of prestige of success thus far resting upon the banners of the Revolutionists. The home country in the throns of civil war, the prospect is that the people of debility and want of nervous setton in the system. Yours, truly, Geo. W. Woodward."

Hen. James Thompson, Judge of the Supreme Court is the taking of a lalse oath. It is the outeropping of prestige of success thus far resting upon the banners of the Revolutionists. The home country in the throns of civil war, the prospect is that the people of cuba will, in the present confidence of debility and want of nervous section in the system. Yours, truly, Geo. W. Woodward.

Hen. James Thompson, Judge of the Supreme Court is the taking of a lalse oath. It is the outeropping of presting of success thus far resting upon the banners of the Revolutionists. The home country in the throns of civil war, the prospect is that the people of success the server of the court is the taking of a lalse oath. It is the outeropping of presting of success thus far resting upon the banners of the Revolutionists. The home country in the throns of civil war, the prospect is that the people of success the server of the country in the throns of civil war, the prospect is that the people of success the server of the country in the throns of civil war, the prospect is that the people of success the server of the country in the throns of civil war, the prospect is that the people of success the server of the country in the throns of civil war, the prospect is that the people of success the server of the country in the throns of civil war, the prospect is the country in the throns o eight years past by their particular Cunan Revolution.-This civil

vegetables, fresh fish, etc., can now spike was laying on the gun, and both have their apporties appeared, if for tunate enough to possess the stamps

There is no medicine extant equal to these tempties in such cases. A tone and vigor is imported to the whole system, the appetite is strongthened, food is enjoyed, the stomach digest promptly, the blood is purified, the commending is eradicated from the eyes, a bloom is given to the cheeks, and the week and nervous invalid becomes a strong and healthy being.

It wantly our neighbors as you would be "frank"
