NATURE'S GREAT RESTORER. SCHEETZ'S Celebrated Bitter Cordial.

THIS medical preparation is now effered to the public as a reliable substitute for the many worthless compounds which now flood the market. It is purely regetable, composed of various berbs, gathered from the great store, house of nature, and selected with the atmost care. It is not recommended as a Cean-All, but by its direct and salutary influence upon the Heart, Laver, Kidneys, Longs, Summech and Bowels, it acts both as a preventive and cure for many of the discusse to which these organs are subject. It is a reliable Family Medicine, and can be taken by either influent or adult with the same beneficial results. It is a certain, prompt and speedy remedy for Diarrhom, Dysentary, Rowel complaint, Dyspepsis, Louness of Spirits, Faintings, Sickhendacho, &c. Fer Chills and fevers of all kinds, is far better and sefer than any quinins, without any of its persafer than any quinine, without any of its per-nicious effects. It creates an appetite, process a powerful digester, and will counterset the effects of liquur in a few minutes. Prepared by JACOB SCHERIE, fole Proprietor, S. W. cor. Fifth and Race attests, Philadelphia, Pa. Solt by all Druggists. [new12-1y

Attention, Afflicted I

THE subscriber gives notice that he has resumed the practice of Medicine in Luth-scaburg, where he intends to devote his atten-tion to the treatment of OHRONIC DISEASES in general. He will keep on hand a choice se-lection of DRUGS and MEDICINES adapted to section of DEUISA and MEDICIAES adapted to the treatment of chronic diseases, and may be consulted at hir office at any hour of the day. N. E.—A word to those afflicted with chronic diseases may be to vazira advantage. Many MAY NOT be aware that coursey Physicians who do a mouse practice have not rise to attend to the treatment of canonic diseases, and conse-quently seniors them; bears this class of diseases requires EXCLUSIVE attention.
GEORGE WILSON, M. D.

Actual survey shows that I under

I have a friend at London, a dear old lady, who keeps a school where young ladies are "finished." The ages of these damsels range from fourteen to eighteen, "sweet sixteen being the average. Having a confidential chat with my friend during She answered me unreservedly. secured by the mortgage. These bonds commence to mature on the first day of January, 1875, and bear interest at the rate of five per cent. from May 19, 1858.

The act of 1861 changed the form of the security of the State for this debt. and authorized the Philadelphia and Eric Railroad Company, the successor of the State for this debt. The security for the security of the State for this debt. The security for the security of the State for this debt. The security for the secu arising, and notes and love tokens being clandestinely exchanged. against and counterset this; but the thing exists; and will continue to exist, so long as girls are sixteen and foolish, and young men and ladies are bold and adventurous. My only plan, when I see that the tender passion has been developed, is to crush it in the bud." "What do you do?" "You will smile when I tell you; for my receipt is the antithesis of romance. It is a dose of Senna tea." ten?" "Yes, Senns ten. Whenever I perceive-us I very frequently dothat one of my young ladies has fallen (as she fancies) into love, I at once take her in hand. I never hint at any thing connected with the tender pascion, but I treat her as an invalid who suffering from impaired digestion I keep her closely to the house and dose her liberally with Senna tea, standing by to see that she drains the dose to the dregs. This plan is always attended with success. Sometimes she gives in after the first few doses; but usually it takes two or three days to complete the cure. I had one ob in nourishing and invigorating their stinate and protracted case that lasted a whole week : but I was firm to my plan, and in the end it succeeded You may depend upon it, that as a cure for a school girl's calf-love, there timber. Annual freshets upon the is nothing like Senna tea."-Once a

Beautiful Simile. An Alpine hunter, ascending Mount one of those frightful crevasses by Court, upon this subject, can and will ties. They too, ask that you will per which the sen of ice is cleft to its ence between the four million mort and a half of these remain unpaid, the coal openings, load it, and return, was stopped by a giant cliff that rose gage and the three millions five hun-dred thousand dollars at the time the their payment. I regard this in the whole shall mature. But for that we light of a similar annuity, and I do not also. Utproductive and undeveloped, of the waters which seemed to wait lar of security for that; and if you throw it away. can give them, to lie at your feet was beside him and behind him, and take the report of the Philadelphia Beyond and beneath this question, shining with the colors of the rainbow, he might fear, before him. There and Eric Railway Company and examin a business view, lies the much or to glow and melt in driving the was no time for reflection or delay. the covenant to pay is valueless and the commercial marts on the Atlantic can be placed on the wharves at Buf motion, as if he were guiding through the debt lost. So much for the proper by the commercial centre of the west falo with a transportation of less than the shades below, and then a light sition that the Senator from Potter to the commercial marts on the Pacific one hundred and sixty miles, by a line began to glimmer faintly in the wat-

LIQUORS,

Light as BRANDT, WINE, GIN a WHISEY above possels of Wool wanted for which the highest price will be paid.

LIQUORS,

I do not believe there could be a recovery upon the covenant, for it is in direct conflict with the express terms of the act under which the mortgage was taken, and in pusuance of that law the original mortgage was taken, and in pusuance of that law the original mortgage was taken, and in pusuance of that law the original mortgage was taken, and in pusuance of that law the original mortgage was taken, and in pusuance of that law the original mortgage was taken, and in pusuance of that law the original mortgage was taken, and in pusuance of that law the original mortgage was taken, and in pusuance of that law the original mortgage was taken, and in pusuance of that law the original mortgage of 1861, the State is the mortgage of 1861, the State is the mortgage of 1861, the State is the gainer. Now comes to us a repetition of the proposition. The Aliegheny wall and see for yourselves. You will said that this route was the gainer. Now comes to us a repetition of the proposition. The Aliegheny wall and the fields of the Orthwostern part of the State is the mortgage of 1861, the State is the mortgage of 1861, the State is the gainer. Now comes to us a repetition of the proposition. The Aliegheny wall and the fields of the debts scarred by the mortgage of 1861, the State is the gainer. Now comes to us a repetition of the proposition. The Aliegheny wall and the fields of the Drivate dates.

In my place here in 1867, and often mortgage of 1861, the State is the gainer. Now comes to us a repetition of the proposition. The Aliegheny wall and the fields of the debts scarred by the mortgage of 1861, the State is the gainer. Now comes to us a repetition of the proposition. The Aliegheny was given up.

It seems to me that the foot of the state of the debts scarred by the mortgage of 1861, the State is the gainer. Now comes to us a repetition of the proposition. The Aliegheny was an afternative and th
