It is purely regetable, composed of various herbs, gathered from the great store-house of rature, and selected with the utmost care. It is not recommonded as a Cren-Asis, but by its direct and salutary influence upon the liceart, Liver, Kidueys, Lungs, Stomech and Bowels, it acts both as a proruntive and surresponding to the disease to which those organs are subject. It is a reliable Family Medizine, and can be taken by either infant or adult with the same beneficial results. It is a certain, prompt and speedy remedy for Blarrhun, Dysentary, flowel complaint, Dyspepsis, Lowness of Spirits, Faintings, Sickhondache, &c.
