This medical proparation is now offered to the public as a reliable substitute for the many worthless compounds which now flood the market. It is purely vegetable, compused of various herbs, gathered from the great storehouse of nature, and selected with the utmost care. It is not recommended as a Cunn-All, but by its direct and salutary influence upon the Heart, Liver, Kidseyy, Lung, Stomsech and Bowels, it acts both as a preventive and cure for many of the disenses to which these organs are subject. It is a reliable Family Medicine, and can be taken by either infant or adult with the same beneficial results. It is a certain, prompt and speedy remedy for Diarrhous, Dysentary, Howell complaint, Dyspepsia, Lowenses of Spirits, Faintings, Sickheadache, &c. Far Chills and fevers of all kinds, it is far better and safer than any quinine, without any of its pernicious effects.
