Beale's Embrocation,

Outrage at Arlington Cemetery.

On Going Surety. BY HENRY WARD BEECHER. Ought a man ever go surety for another? Why not? It is a most friendly set. If prudently done, it to a neighbor. It gives him the benefit of your good reputation when he is not known. It lends him your credit where his own is not sufficient. It puts him in funds which otherwise he could not command. Such service to a friend is generous, and sometimes make you. Guards, come up here and even make you. Guards, come up here and disperse this crowd? The lieutenant accompanied these words with angry a true friend. We are commanded to gestures, and swinging his arms about times indeed, there is no question of an anocadate of a monarch them on the ground at his feet, conmenced to misself with watch-making and repair, who amused menced stamping on them in such a manuer as to attract about him a crowd of wondering spectators in a crowd a persecutor—of course to little districts of the look cere of the look. He had been a bigot in religion, and a persecutor—of course to little defect except for exhibition of intoler.

There were the old landmarks—the open door, and a persecutor—of course to little defect except for exhibition of intoler.

There were the old landmarks—the open could not command. Such service to a friend specific to religious anticord to have sight and speech of my apprentice.
