RT GLIVER WHYDELL HOLMEN.

[Dr. Holmes has written the following hymn for the Peace Jubilee in Boston :] Angel of Peace, thou hast wandered too long! Anges of Peace, thou test wantered too long! Spread thy white wings to the sunshine of love! Come while our voices are blended in song—Fly to our ack like the storm-bester deve! Fly to our ack on the wings of the dove—Speed o'ee the far sounding billows of song. Crowned with thise oldwelest, garland of love—Angel of Peace, thou hast waited too long!

Brothers we meet, on this altar of thins,
Mingling the gifts we have gathered for thee,
Sweet with the odors of myrile and pine.
Broses of the prairie and breath of the ess—
Meadow and mountain and forest and read
Sweet is the fragrance of myrile and pine,
Sweeter the income we after to thee,
Brothers stice more round this altar of thine?

Angele of Bethlehem, answer the strain! Hark! a new birth song is filling the sky! Loud as the storm wind that tumbles the main! Bid the full breath of the organ reply— Let the load tempest of voices reply—
Roll to long surge like the earth shaking main!
Swell the heat song till it amounts to the sky!
Angels of Bethlehom, caho the strain!
