RELIGIOUS NOTICES. Methodist Episcopal Church—Rev. Wm. H. Dill, Pastor.

Our "devil," or somebody else, last week, placed the word "died" over a marriage notice.

NOT GUILTY.—The trial of the boy, Kitchin, for shooting his comrade, a year ago, near New Washington, came off last week.

COURT.—The business done at the present sitting of our court was heavy, cleaning up a number of "chronic" Commonwealth cases.

INCREASING.—The family of Attorneys is still on the increase in this county. The name of H. W. Smith, Esq., was last week added to the list.

As usual, no paper will be issued from this office next week. Our "devil" is determined to be patriotic.

A LITTLE TOO LONG.—The Strawberry and Ice Cream Festival at the M. E. Church, last week, was kept up until 11 o'clock on Saturday night.

We understand that the cake voted for at the Ladies' Strawberry and Ice Cream Festival in this place, last week, fell to the lot of Rev. Wm. H. Dill.

We understand that a vote was taken last week in the M. E. Church in this place on Lay Delegation, and the question was largely defeated.

The Grand Jury, last week, unanimously reported in favor of building a new jail. They want no patchwork, but want a building to match our complete Court House.

EXPERT ON THE RING.—The burglar experts who commenced plying their vocation in this place on the 12th of May last, have met with bad success.

A CAPITAL CASE.—The case of the Commonwealth against David Ball, for the killing of Job Sneath, in Becaria township, last December, elicited much attention.

NOTICE.—The formation of the partnership of James B. Graham & Sons does not prevent the settlement of the notes and book accounts of the late firm of Shewers & Graham or E. W. Graham.

Burglars Exposed. Our readers are all familiar with the robbery of the County National Bank, in this place, on the 12th of May last, by three Western experts.

Wm. A. Wallace, sworn in by James Nelson, and went and saw him. We opened the subject, and I discovered a tenderness among them on the subject of their missing partner.

There were three men engaged in the burglary, Mr. Lamoine, Mr. Newman and myself. We came to this State from St. Louis, Mo. Newman and myself came on, and met him at Williamsport between eight and ten days ago.

HASCALTY.—We have been handed a circular received at the Reynoldsville P. O. by Mr. Chambers, from New York, in which parties signing themselves Gunbrigg & Co., 60 Wall Street, N. Y., propose as follows:

We have a large stock of exact copies of the various U. S. Treasury Notes on hand, (reputed to be the only ones of the kind outside of the States Prison), which we desire to immediately dispose of the following very liberal terms, viz: Packages presenting \$200, in various denominations, price \$15. Representing \$500, price \$350. \$1000, price \$600, and so on for every package thereafter. If you order a \$20 package we will sell to you for \$15 in your own.

After describing the routine of a regular business transaction, they add the following prospect:

We place reliance in you so far as offering this business, but were we to send samples it would make our business much too public, as it is a matter of course we would send, therefore we do not send any samples, but we will send you a circular, or any other thing you may desire.

The creature who endeavors thus to fleece parties who may be green enough and dishonest enough to try to procure money on such terms, is represented as quite a youth, and has from time to time been compelled to shift his quarters to keep out of the hands of the officers of the law.

Mr. JAMES NELSON. There were three men engaged in the burglary, Mr. Lamoine, Mr. Newman and myself. We came to this State from St. Louis, Mo. Newman and myself came on, and met him at Williamsport between eight and ten days ago.
