We copy the following from the Indiana Democrat. If it was not Jack Nelson, clies "California Jack," it was certainly done by one of his pupils:

"The store house of A. M. Stewart & Co., and Win. B. Marshall, known in this community as the "Big Warehouse," was opened on Monday night lest, and the large fire proof safe, built in the same, blown open with powder in the vast amount of robbing which has been going un in neighboring counties and other parts of Blair county, our tawn has until been distarted by those origin margaders until Tuesday night the vast amount of robbing which has been going un in neighboring county, our tawn has until been distarted by those origin margaders until Tuesday night of last week, when a gang of them made a general investigation of matters. They first entered the clothing stores of the same of the vast amount of robbing which has been going un in neighboring county, our tawn has until been distarted by those origin margaders until Tuesday night of last week, when a gang of them made a general investigation of matters. They first entered the clothing stores of county, our tawn has until Tuesday night of last week, when a gang of them made a general investigation of matters. in the same heart and the large fire proof safe, built in the same, blown open with powder or nitroglycerine. The concussion was so great that the large plate glass in the front window was broken, and the fragments of the safe scattered in all direction. After opening the safe it was "gono through," in the most approved style, and everything in the front door with a pair of nippers, where they broke open a safe but shape of money taken. The whole shape of money taken. The whole same unt John A. Stewart, late Treas-St. Francis' Church—Cathelic—Rev. Mr.
