THE REPUBLICAN.

CLEARFIELD, PA. WEDNESDAY MORNING, DEC. 1, 1869.

THE TOAST FOR LABOR Here's to the man with herry hand, Who tags at the breathing believe; Where savile ring in every land, He's loved by all good fellows.

And here's to him that goes affeld, And through the globe is plowing. Or with stent arms the an doth wield, While ancient oaks are lowing. Here's to the delver in the mine, The sailor on the occas, With those of every craft and line, Who work with true devotion. Our love for her who tails in gloom, Where smaks and wheels are clauking: Bereft is she of nature's bloom, Yet God in puttence thanking.

A curse for him who snears at toil, And shams his share of labor; The knave but robe his native sell, While leaning on his neighbor. Here may this truth he brought on earth, three main and more in favor; There is no wealth but owns its worth To handleraft and labor.

Then pledge the founders of our wealth-The builders of our nation;
We know their worth, and now their health
Frink we the acclamation.

SYNOPSIS OF COUNTY INSTITUTE.

The Teachers' Institute of Clearfield unty, convened in the public school house, at Curwensville, on Tuesday, October 12th, at 1½ o'clock, P. M. George W. Snyder, County Superin-tendent and ex-officio President of the THE subscriber has devoted much time and Institute, urged upon the teachers, if attention to the SCALING OF LOGS, and they would make the Institute inproceedings. Mr. Joseph Spencer, of Pike township, was then introduced, who entertained the audience for a THE undersigned offers his services as a Sarvinger, and may be found at his residence, in considerable time, speaking of the Lawrence township. Letters will reach him directed to Clearfield, Pamay T-tf.

Democratic campaign document in the Presidential canvass of that year.

decided opposition to the project of legalizing slavery in all parts of the lution threatened there and likely to KEEPING POTATOES.—It is a bad covered territory. The treaty was extend to the whole country. Kansas plan to place potatoes against the rejected by the Senate on the 5th or and the country were at once pacified

following lines set forth more beautifully than all the so called advocates Mr. Walker was appointed Secretary impeachment of President Johnson of "woman's rights" have been able of the Treasury, and was unanimously He continued practising his profession, meeting with great success His administration of the national time of the negotiations for the purchances met with signal success. The chase of Alaska, Mr. Walker was refirst report he made to Congress took tained as counsel for the Russian gova decided stand in favor of free trade and against the protective tariff policy of the whigs. Accompanying the report was a plan for a "revenue system," which holdly reduced custom duties an against all articles and against the protective tariff policy of the whigs. Accompanying the report was a plan for a "revenue system," which holdly reduced custom duties an against all articles and against the protective tariff policy of the Russian government, and received a heavy fee in gold for his services. It will be remembered that this case gave rise to considerable scandal, and Mr Walduties on nearly all articles imported mere than fitty per cent. The report more than fifty per cent. The report more than fifty per cent. The report the Alaska purchase has not yet been and plan were fiercely assailed by the thoroughly removed, it has been whigs. Senator Evans, of Maine, tolerably clearly ascertained that the
