

foot, there springs up a host of hide- Radialian dues, and while it is difficult to at foot, there springs up a host of hide ous things thick as the leaves of the Vallambrosia, fierce and dangerous as the progeny of the Dragon's teeth, or the serpents from Medusa's hend.— They appear in all shapes, though all monstrous. As men they are weigh-ers, inspector, store-honse-keepers. custom house brand; as meats, they are chalk, macearoni, sanded sugar, and other cheats of pretended impor-tation; as drinks, foxil oil, gooseberry champaigne, and blackberry port; as clothing, high price, or a cont con-structed out of shoddy; and in drugs, they appear simply as poisons. All this array of evils, animate, and loan-imate, have their origin in the parent evil, Protection—springing directly from its loins.

from its loins. Again, again, we say, bad as these things are, they are not the worst.— More deplorable they are not the moral consequences that follow in their train, for it not only obstructs a people's prosperity, but says its mor-ality; since both are the sure conse-quences of a tariff taxation, no matter in what land it be collected, or by

is for the encouragement of home man TERMS OF THE DATLY AGE: in his heart, and a black lie between his teeth, or he knows nothing at all --at least nothing about this partica-har subject. It were charity to sup-the subject. It were charity to suppose him a fool; pity to believe him a TERMS OF THE WEEKLY AGE: dupe; but in many instances he is Dow copy, one year, neither one or the other, but a sharp, Two epice. thorough-baced knave, with a full Fifty ropies. thorough baced knave, with a full knowledge of his knavery; prating protection either for his ends, or the advantage of these who employ him. It seems hard to think of Borace

Greeley in this light; as also many other writers of reputation. But we are forced to a conclusion, and cannot help them. As for the so-called polit ical economist Carey, who contradicts his own theories of Protection by an attice will be rigidly adhered to, and an attice will be family of the subscription anti-Greeley in this light ; as also many a club of twenty or more, all addressed to one per ical economist Carrey, who contradicts his own theories of Protection by advocating Pree Trade, in the steal-ing of men's thoughts, we can only regard him in the light of a fossil and a fool. Even supposing the doctrine a fool. Even supposing the doctrine a fool. Even supposing the doctrine ing of men's thoughts, we can only regard him in the light of a foosil and the advance. Dath an Philadelphia, as Postellase setters, part a subject of a foosil and an advance. Dath an Philadelphia, as Postellase setters, part analyse. Charter and a state of Jordan as a fool. Even supposing the doctrine of these men true and that tariff tax, gtion is, the only way to encourage the state of the set is set if seath is sent if seath is set if and if Seath is sent if Seath is set if the seath is set if the
