this was prepared in advance; this raising a tempest to drown a fly. In this connection, he alluded to the appropriation of \$3,000 made the other propriation of \$3,000 made the other to that wisdom which appoints our tleman from Ohio to entertain some festive bankers of New York, and to the circumstances of the gentleman from Wisconsin having recently got through an appropriation of \$200,000 for the Des Moines Rapids, not estimated for by any of those "unworthy Departments." It had forced itself apon his conviction almost, that which had been repeatedly told him, that "the gentleman from Massachusetts had a little balance to settle with the Republican members of Pennsyl-

Mr. Dawes-Will the gentleman be kind enough to state explicity just what he means by the last romark?

Mr. Schofield—The gentleman himself knows, I suppose, because (in a jesting way) I have told him what had been suggested; but if he insists on the lap of laxury, without finding into the lap of laxury, without finding my stating it here, I will say that it that his couch was strewed with has been hinted to me that the gentle thorns? Who has reached the summan from Massachusetts was not alto-gether satisfied because the Republi-that pinnacle that hestood on thoras? the organization of the House had brow, without perceiving that thorns preferred a gentleman whom they thickly set within the royal circlet? thought could sometimes find modes Who has folded to his bosom all that of signalizing his friendship other than by the infliction of wounds. Who has folded to his boson at that than by the infliction of wounds.

to answer me frankly and fairly here and the on record, does be intend to impute to me any such motive in anything I human heart, have unfailingly touched

Mr. Schofield-If the gentleman upon this fact with the melancholy will not be so very sensitive, and will be quiet for a few minutes, he will see pust how much I am imparing to him. Pittaburg, from Billings' Stand-point.

Mr. Schofield-When the gentleman was making that extraordinary peech about everything but the bill. side of the Ohio river, and kontains a begged, and so did my colleagues, populashan fully equal to its size. for a word of explanation, and it was man's question in my own way, and I it is really the most manufactring wish now that he would let me have place in America.

Mr. Dawes—If the gentleman will of the ground, is kole. The atmosimpute to me such motive, he will do me a favor and will do me justice. Mr. Schofield-If the gentleman washing bigginess, a common paper

from Massachusetts will be less ner collar has tew be washed four tin to say, he will understand exactly my colour. meaning. When I saw all this proparation, and when I saw that the gentleman roamed over the whole Gov- tants, and the buty uv its wimmin six ernment to find something obnoxious, I saw more pretty buty here, in twen and that when he had at last awakened ty minutes than I ever did before in the indignation of the House against the whole av my eventful life. If everything that could be criticised in was an inconsplable widdower, all the Departments; and when I saw should at once move to Pittsburg sim gather up his hostility and hard and commence married life again. it at the bill, which only proposed to remove an old Navy yard to a new one, the convention, I say, was almost time that it was a stationary saw mit forced upon my mind that perhaps the in the middle uv the river, but after a insinuation might have some founda- while discovered what a condem phool

insinuation might have some founda-tion, and that is all I was saying.

Mr. Schofield then proceeded to review these portions of Mr. Dawes's speech criticising the economical no-tions of the Secretary of the Navy and of the Postmaster General. He and of the Postmaster General. He first time in Pittsburgh. would not pause to criticise the irrev-This indicates progress in the right the Baptist bore to the coming of the glomerated mass seemed to look upon

be endorsed, if it had any meaning at all, is equally an insult to the Speaker of the House, to the Pennsylvania delegation, and to myself, and has no desidedness, which might have passed to affect the control of the three passed to affect the control of the co justification, as you, Mr. Speaker,

he asked to have order restored in the der that the Rouse might hear Mr Dawes sprak, be know what the subject of the speech was to be. As to his drawing \$3,000 for interviewing certain New York brokers, the statement was ton gross to be permitted on the records of the House. Any hi-singarion that the Committee bu-Banking and Correccy asked or ob-tained money for itself, or that is was interviewing brokers as if it was a party to any scheme of brokers, was anworthy the gentleman, and an outrageous wrong to every man who be

leved in investigating frauds.

Mr. Schofield said that if the gentle-NEW SERIES-VOL. 10, NO. 29, man had heard what he said, and the manner in which he said it, it would have saved him some little excite-

Mr. Garneld-No excitement at all,

dence should be reposed is found the secret and dangerons enemy that be trays us;—where we should look for moral instruction we find the gilded brand of infamy held up for our admiration, as the stamp of virtue.

Authors sell the falsehoods of their feverish imaginations to gain and the disconnection of outrageous enemy that be trays us;—where we should look for moral instruction we find the gilded brand of infamy held up for our admiration, as the stamp of virtue.

Authors sell the falsehoods of the dalson of outrageous ensured their feverish imaginations to gain the disconnection of outrageous of ideas is a fast too well understood.

Authors sell the falsehoods of the old song describing how a certain daily we witness the as an original taste for it, caused by some him of the "Hear ye, bear ye of a it into a garland for the brow that court crier, and, the gentleman from you love best, that brow will be wounded; or place the sweet blossom seat boside Mr. Dawes to give him in your bosom, the thorn will be seat boside Mr. Dawes to give him in your bosom, the thorn will be audience, reminding him of the words to the old song describing how a certain day of the old song descr clouds and sunshine, hope and fear, weal and wo, in this our earthly inheritance.

day to emble, as he put it, the gen-sorrows, and sets a bound to our enjoyments, to affix some stain, some bitterness, or some alloy, which may not inaptly be called, in figurative inguage, a thorn. Saint Paul emphatically speaks of a "thorn in the desh," and from this expression, as well as from his carnestness in having prayed thrice that it might be removed, we conclude it must have been something particularly galling to the natural man. We hear of the thorn of ingratitude, the thorn of savy, the thorn of unrequited loveindeed of thorns as numerous as our pleasures, and few there are who can look back upon the experience of life, without acknowledging that every carthly good they have desired, puran members from Pennsylvania, in Who has placed the diadem upon his han by the infliction of wounds.

Mr. Dawes—Does the gentleman thorns? All that we enjoy in this
