

office invented the "ribbon" Stamp canceller, ont of which he and a few members of the Boreau have made a fortune. They have manufactured and sold over four millions of those cancellers. The Bureau boss has just decided that they are worthless—that the stamps are washed and again, until the Revenue has been detranded out of millions of dollars.

We suppose that in a moral point of Chief Justica is but \$6,500, while that view his explanation will be entirely of General is \$18,750. This difference satisfactory to a "loil" Congress.— between a learned and able jurist and the follow, the would pocket the stand? We wonder if the fellow who dead now. May God be moramered used to ride the mule was to spit in his face, whether he would pocket the sands who perished at Andersoville and other Southern release.

The Schemers at Work.

The Schemers at Work.

We notice by their circulars, that negro Bureau Howard, Rishop Scott.

Ex Gov. Pollock, Judgo Strong, and a lot of other antiquated semi-religious a lot of other antiquated semi-religious and more corrected as a lot of other antiquated semi-religious.

Then and John The following is a sammary of the States claim to be the party of moral lideas. They belong to a seet called provisions of a bill which is now before called a lot of other antiquated semi-religious there has not assembled a more corrected and all Democrats and grants from the elective franchise:

him his confirmation, and nothing else home specific age of contents and the base of these institutions have find the State home specific and not only by every dictate of patriot has never realized one cant for interest and a go a clerk in the Internal Revenue office invented the "ribbon" Stamp canceller, out of which he and a few members of the Bergau have made a county were refused one cant the School distributions for our point of which he and a few members of the Bergau have made a content on the head of the War Department. It was demanded not only by every dictate of patriot has never refused to rily called for in financial circles, with the positive assurance that no additional loans could be negotiated until to represent the U. S. Government dishonesty and incompetency were and its Radical saints in far off Spain. The emigrant carpet baggers and office in the form of the bergau have made a content of the war formally and peremptorist to financial circles, with the positive assurance that no additional loans could be negotiated until to represent the U. S. Government dishonesty and incompetency were and its Radical saints in far off Spain. The emigrant carpet baggers and the content of the war formal peremptors.

it useless. If those who have the as well as all the institutions named, ington, D. C.

which cits the stamp so as to reload that Mr. Mackey is "sid to the core," brokers, Covington, E.V., and Wash in such as well as all the institutions named, the institutions named, the well as all the institutions are designed to the intellering in the Department and by the little ring in the Co. are but particule effection and a new canceler will be severed behalf as the escape of the 20th, any state of the intellering of the little ring in the Department and by the little ring in the Department and by the little ring in the States Supreme Court; because the second little responsibilities than the Judges of the United States Supreme Court; because the second little responsibilities than the largest of the United States Supreme Court; being the work of the second little responsibilities than the largest of the United States Supreme Court; being the second little responsibilities than the largest of the United States Supreme Court; being the second little responsibilities than the largest of the United States Supreme Court; being the second little responsibilities than the largest of the United States Supreme Court; being the second little responsibilities than the largest of the United States Supreme Court; being the second little responsibilities than the largest of the United States Supreme Court; being the second little responsibilities than the largest of the United States Supreme Court; being the largest responsibilities than the largest of the United States Supreme Court; being the largest responsibilities than the largest of the United States Supreme Court; being the largest responsibilities than the l

Nothing But Corruption.

dropped. As Judge Strong, two years ago, with Agnew and Reed, decided the legal tender act anconstitutional, he must try and reconstruct Chief Justice Chase and the majority of the Court on this bit of heresy. This view of Strong's obtained for money for years, from which the State Treasury. Some This view of Strong's obtained for money for years, from which the State Treasury is not only by every dicitate of nation. It was demanded to the majority of the court on this bit of heresy. The state Treasury is not only by every dicitate of nation.

and again, until the Revenue has been and again, until the Revenue has been detranded out of millions of deliars. He orders that after May, 1870, all stamps must be cancelled with a pen and good black ink, or by a new payers of Pennsylvania.

It gives us great pleasure to state the stamps of the which cuts the stamp so as to render that Mr. Mackey is "loil to the core," brokers, Covington, Ky., and Wash-

Then and . Pore.

The investigation by the Legisla tare colored gentleman has completely cell-psed the Prince, who is nowhere when Rev. Revels is around.

Some London journals cannot be lived Mrs. Stowe capable of uttering "a deliberate falsehood." Why not? There are a great many liars in the more likely to be one of them than this same Mrs. Harriet Beecher Stowe. No one ever lied half as much about the land of their birth, and after this it is but natural to lie about one's neighbors. She and ber brother Henry are gay deceivers—make their money that way. Their is fally demonstrated by the State Treasurer. The investigation by the Legisla tare colored for few Lordina, there or four fress Description that the investigation by the Legisla tare of the manner in which the State from John States. The expert baggers the principle and Senter, which was the depository of sent the higher and Senter. There were political spies and private accessers in old Rome; and the treat to result of a large of the state. There were political spies and private accessers in old Rome; and the treat of a party which fears a letter explanatory of a paragraph in Senator. Welson article in the Atlantic Month by on Edwin M. Stanton. Senator Wilson article in the Atlantic Month by on Edwin M. Stanton. Senator Figure and Stanton and Senator which was the depository of the target and the result of a perint power and so has the United States. There were political spies and private accessers in old Rome; and the treat of a party which fears a letter explanatory of a paragraph in Senator.

Col. McClure and Cameron.

Col. McClure insists. Merchante Month by one Edwin M. Stanton. Senator Wilson have ended to vote the facts. There were no the state funds of the facts of these in the United States. There were not the state funds is producing and the trade to the facts. Month by not in the Atlantic Month by one Edwin M. Stanton. Senator States. The call forth universal excention. It is reason that the control of the same by the same and the producing and the produce of brother Henry are gay deceivers—
make their money that way. Their
apparent morality is a fraud.

Costamed—The United States
Senate on Thursday last, confirmed
How Wm. Strong, of this State, and
late Judge of our Saprame Court, as a
Judge of the U. S. Supreme Court, as a
Judge of the U. S. Supreme Court, was a
Judge of the U. S. Supreme Court, while Bradley, whose name the President sent in at the same time, was
dropped. As Judge Strong, two
despondents and bankers are doing the President, was an "afterthought, suggested and carried out "to break the fail of a Cubinet Mioister who had busk the fail of a Cubinet Mioister who had been found on the fail of a Cubinet Mioister who had been found on the fail of a Cubinet Mioister who had been found on the fail of a Cubinet Mioister who had been found on the fail of a Cubinet Mioister who had been found on the fail of a Cubinet Mioister who had been found on the fail of a Cubinet Mioister who had been found on the fail of a Cubinet Mioister who had been found on the fail of a Cubinet Mioister who had been found on the fail of a Cubinet Mioister who had been file fail of a Cubinet Mioister who had been file fail of a Cubinet Mioister who had been file fail of a Cubinet Mioister who had been file fail of a Cubinet Mioister who had been file fail of a Cubinet Mioister who had been file fail of a Cubinet Mioister who had been file fail of a Cubinet Mioister who had been file fail of a Cubinet Mioister who had been when the fliving lines were comparatively free—
