

GEORGE B. GOODLANDER, Editor.

CLEARFIELD, PA. WEDNESDAY MORNING, MARCH 0, 1870.

Commercial Matters.

The rapid advance in the price of in the stock market and in commercial circles. On Saturday last the paper dollar was worth 88 cents, with an upward tendency. The depreciation of paper money has always been diaguised under the nonsensical term of "premium on gold," and thousands of "people throughout the country, including not a few of the high function arises of the Government, have really supposed that gold has "gone up" in the United States, when in truth than not advanced since 1861, probably one per cent. We find the greenback in 1868 to have ranged in sallo from 60½ to 80 cents. In 1868, 66½ to 75½ cents. It is held by centain financial writers; and first part of the control that are interested to the section of paper money has always been disguised under the nonsensical term of "premium on gold," and thousands of people throughout the country, including and a key to the section of paper money has always been disguised under the nonsensical term of "premium on gold," and thousands of people throughout the country, including the people of the section of the section of the first that is in the country was startly the control of the first that is a late to the such great and the first is to come, the sooner is tended and the first is to come, the sooner is tended and the first is to come, the sooner is tended and the first is to come, the sooner is tended to the order of the Interior. In the midst of these new and preliming makes and if it is to come, the sooner is tended to the such great and if it is to come, the sooner is tended to the such great and if it is to come, the sooner is tended to the such great and the first is the such great and if it is to come, the scale of real relation to the first late to a near least the such greats and for the such greats and first is the come of real relation to the first late to a near least the such greats and for the such greats and first is the come of real relation to the first late to the first late to the first late to the first late to the such greats and first is the come of real relation to very disastrous to the merchant who bought goods with gold at only 10 above, and if it should take a torn up, he would be benefitted, though the consumer would suffer. We believe this gold question will be solved in less than six months, and the date of resumption, immediate or remote, be

city. The financial writers and a large portion of the business world are indulging in the belief that if the paper dollar is made equal to the gold.

World's history. And yet, mark the the dreams of Radical editors. Not to endorse the corruptions of the Landical party is the blackest treason that and, and press its attention upon the Government. Humanity revolts at the paper dollar is made equal to the gold. opinion. Hage taxation is killing us, over our national grave. and till we are relieved of this curse. the wealth-producing classes will groan, and general prostration will Congress is still engaged in recon-

rulers at such periods, suppressed quite a number of newspaper establoyal organs protest very much to this Napoleon does, but always sent a mob, which destroyed the material? Those "free press" shysters had bet ter keep quiet. It is not likely that Nepoleon will beed them.

NEARLY OVER .- The gold gambler's occupation is nearly gone. The schedule of quotations elsewhere will show that it is running down very fast. Had a Congressional investigation been entered into long ago, the tion been entered into long ago, the first agents would show that it is running down very fast. Had a Congressional investigation been entered into long ago, the first agents would show that it is running down very fast. Had a Congressional investigation been entered into long ago, the first agents would show that it is running down very fast. Healthy course, and there are signs or in the Penitentiary. These great men speedy restoration. God hasten the day when fanaticism and public plunder shall be confined to a grave from which there is no resurrection.—Butler Speedy restoration.
