I suggest that, on a designated day, the citizens throughout the United States, who favor an exclusive white citizenship, meet together in their respective localities, and declare their sentiments to the good the United States, who favor an exclusive white citizenship, meet together in their respective localities, and declare their sentiments to the good the United States, who favor an exclusive white citizenship, meet together in their respective localities, and declare their sentiments to the good the United States, who favor an exclusive white citizenship, meet together in their respective localities, and declare their sentiments the proposed on the Chented and outraged interribed: "America for White Men!" If you approve the regression, please designate the favored to the chented and outraged millions. But why must this awful future be imposed on the American between the interest and the respective.

How to Save Money.

THE times are hard; you'd like to know How you may save your dollars; The way to do it I will show, If you will read what follows.

A man who lived not far from here, Who worked hard at his trade, But had a household to support That squandered all he made.

I met him once. Says be, "My friend, I look thread bear and rough; I've tried to get myself a suit, But can't save up enough." Says I, my friend, how much have you?
I'll tell you where to go
To get a suit that's round and cheap:
To REIZENSTEIN & Co.

He took what little he had saved,
And went to Reizenstein & Brothers',
And there he got a handsome suit,
For half he paid to others.

Now he is home, he looks so well, And their effect is such, That when they take their daily meal, They don't eat half as much. And now he finds on Saturday night, With all their wants supplied. That he has money left to spend, And some to lay aside.

His good success, with cheerful smile, He gladly tells to all. If you'd cave money, go and buy Your clothes at-REIZENSTEIN'S CLOTHING HALL.
