THE REPUBLICAN. 

CLEARFIELD, PA. WEDNESDAY MORNING, APRIL 27, 1879.

DO A GOOD TURN WHEN YOU CAN.

How little we think, as we travel
Through life's ups and downs day by day.
What good each might do for his neighbor,
Dul all of us go the right way:
How many a good fellow whome talents
To clievate acience would tend,
Is lost to the world's gaze forever,
And all be the want of a friend!
Then stratch forth your hard like a brothler,
For remember that life's but a span,
Tix our dary to help one another,
And to do a good turn when you can.

Of lower digree—quite forgetting. The means by which they perhaps ruse; So be kind to the poor and the healty.
Note after a word that's entrue;
Praise the maxim which mys. "Me to othe As you would they should do ante you!" Then stretch forth, your hand like a brothe Since life after all's but a span, Let us try to make ano manther. et us try to model one muches, And do a good turn when you ou

RADICAL RASCALITY.

Speech of Ron. John D. Silles, of Penn-sylvania, delivered in the House, on Wednesday, April 13, 1870.

The outrageous conduct of the Radi- tested cases in the Forty-first Concal majority in Congress in turning gress it will be seen that there were Democrats out of their seats is fully tweety-four in all; eighteen republiset forth in the speech of Mr. Stiles can contestants and six democratic

The subdiding on the secure of Market A Their Streets, building on the secure of Market A Their Streets, because of the secure of Market A Their Streets, and the monarchy of Louis Phillippe, and the monarchy of Louis Phillippe, and the monarchy of Louis Phillippe, and the monarchy of the legal votes, and the monarchy of the legal votes, and the monarchy of Louis Phillippe, and the monarc Respectfulty informs the citizens of Clearfield and question involved as to who received and by reason of a fraud committed by a radical election officer that majority was reduced to 41 votes. The contestant has labored most assiduously to overcome that majority, and after the labor of a year and a half the committee report that the con-

testant is elected by a majority of 72 case It is remarkable that it is not more If Dr. Reading had been returned by 1,000 majority it could have been overcome as easily as any other num-No democrat is to be allowed a seat here where it is possible to dis-place him. Thus far not a single report of the committee has been glest often results in an ineurable favorable to a political foe. The spirit of proscription and partisan hate Brown's Bronchial Troches has never been so startling as now, and it is only wonderful that any of us on this side of the House are permitted to quietly sit here as representatives of the people. One victim after another falls before the scorehing blasts of party wrath; one less to-day and one less to-morrow, and so on through the remainder of the session that when adjournment comes you will have nearly a solid vote in the House of Representatives of the United States. You can afford to be both liberal and just It was boastingly said upon this floor the other day that you had more than three-fourths of the members of the House. Previous to the meeting of the present Congress a New York paper contained the following dispatch from this city: "Congressional Relication," Mr. McParmon, clerk of the House, has made a cult-sail for the tile of March. After excluding Representative from troopin and Lemianum, and server a name where sents are contested, the number feets against hundred and thoug serum repulsionse and sixty two domestic, thus giving the repulsional more than two thirds.

S. P. SHAW. D. D. S.

The is a graduate of the Philadelphia Destal, and therefore has the highest states, and therefore has the highest states, and the property of the proper

line of policy different from what was case of Hunt against Sheldon, and I capeted by the radical party. Grant had not spoken, he seldom speaks.—
In futh it was not certain whether all the districts of that State, as folthenew President might not be John- lows ; sonized and in that event Congress should be ready to defeat or pass any master requiring the necessary vote to correct legislation. To that end the delegations from Georgia and Louis 8t. Martin.

Beling a majority for Louis 8t. Martin.

Total summber of registered voters. Lousiana were denied admission .-Yut remember, Mr. Speaker, the some that took place here when the C. S. Hest (Ben.)... Cle k called the roll of members by L. A. Shelston (Rep.). Sines. We were not permitted to suggest the propriety of asking why cermin States were not called, and district of registered voters in an element of suggests of states were not called, and from that day until now two States of his Union are curepresented here, Third Blatriet. except a single radical member, becase it would have given to the fising a majority for a Railey of minority more than one third of the living a majority for a Railey of majority more than one third of the living a majority for a Railey of majority more than one third of the living a majority for a Railey of majority more than one third of the living a majority for a Railey of majority more than one third of the members. Not satisfied, however, with the action of the Clerk in securing beyond doubt the required twothirds, the right of eighteen democrats to seats was to be determined by means of contests before a partison Being a majority for Michael Ryan of Total nomber of registered votes in fourth district committee of this House. ## Fraudulent Representation.

The aim of the advocates of the free vote" reform in elections is to give to minorities the share of representation in the legislature to which of this system. While the majority they are justly entitled. This subject would preserve their fair preponder-ance in the legislature, there would has long ongaged the carnest considhas long engaged the carnest consideration of thoughtful statesmen in the exhibited the gross inequalities and injustice that now prevail.— England and in this country, who ties and injustice that now prevail, tave observed and lamented the evils lores in the legislature, and a more growing out of the present electoral lance in the legislature, and a more They have seen unserupalone partisans avail themselves of the cuts 19,615 system to commit the most wanton frands on the right of representation. Under it individual citizens not more zen in elections, under the assurance by, but entire communities are disconsisted. Where the ballot he might deposit would tell in the general result. The systematically allenced, but majorities are repeatedly delranded, and their will set at utter defiance. The free man fall representation of the either will set at utter defiance. The free control of the c re.486 vote" is designed to eradicate the mischiefs that have taken root under the present detective practice, and time give to the people the right of repre-

So far as ridicale touches only without possessing sufficient population under the ratio to entitle one of them to a single representative in Congress. Yet each of them has a representative in the House, and these only upon such things that its power is wielded. Too others it becomes, in the hands of the unprincipled, a of the Senate, and are as potential in weapon of the most potent evil and each has been contested by his republished body as the great Commonwealths of New York, Pennsylvania and Illinois. This is a most flagrant violation of the true principle of representation, but it was deemed necessary by the Radicals to secure their hold of power. In the same spirit that geographical and political mon-strosity, West Virginia had its premature birth. These evils cannot be by reaching after aid and craving symmature birth. These evils cannot be remedied by the "free vote," but are referred to morely to show the lengths to which the radicals have gone in their violation of the spirit of our soul. The companions whom they in their violation of the spirit of our free institutions. It will be a long time before the country will recover from the shock that has been given by the untimely organization of these sparcely settled wilds into States, with the above the mind, and the industrity, consequent introduction of ignorant and reckless adventurers to the National Senate. To the votes and influence of these new men in Congress

next Congress by an averwhelming tors have never attempted to palliate majority. They will promptly avenge this great wrong. LATH FOR ROOFING,

preserve this baneful power which must end in the degredation of the in-boring masses, they rely on the bal-lots of three bundred thousand stupid blacks of the South, and the systematic defeat of the popular will by frauds alont apportionment of representatives in the North. From these two mighty agencies of radicalism, Ignoranes and Fraud, the Free Vote alone will rescue the people. In proportion as its principles become more familiar, will be the efforts of selfish and cor-NEW SERIES--VOL. 10, NO. 40, rupt politicians to render it odious. A fair distribution of the members of Congress from this State, on the lasis of the popular vote, would give the democrats eleven out of the twentyfour members of Congress. Such a result, or what will approximate it, can be produced under the operation rigid responsibility to the constituduce better laws, and there would be a more lively interest felt by the citi
