

GEORGE B. GOODLANDER, Editor.

CLEARFIELD, PA.

be a full turn out.

the business for several years.

RATHER FAST .- John Cessna, Radical Congressman from the Bedford district, is a candidate for Speaker of the next Congress. John had better wait and see whether he is reelected. stay at home next fall, together with many other Radical Congressmen.

THE RIGHT MAN.—The Democrats of Bedford county, last week, nominated B. F. Myers, Esq., one of the proprietors of the Harrisburg Patriot, for Congress. Mr. Myers is the prop- informs us that the "State Historian picion of it, surely it should be those er man for the people of that district Department," at Harrisburg, has given who assess and collect the revenues. to send, if they wish their interests birth to another child, and its name Even the judicial officers of the govproperly represented and prefer a is Andrew Jackson monks, of Punx- ernment ought not to be more up otatesman to a ranting unscrupulous

demagogue. WHY COMPARE?-A "loil" exchange says: "In Russia royalty costs \$8, 500,000 a year; in France, \$7,000,000; in Turkey, \$6,600,000. Other European nations allow their soverigns smaller amounts." Why compare European royalty when American loyalty costs charge five times more to govern forty seventy millions.

nals, must be hard up for patronage arrangement. when it comes down so low as to advertise Harper's Weekly, one of the vilest sheets in the country. It is a Democratic newspaper should so far forget its duty to the country and its party as to puff such satanic publications, is beyond our conception.

A DECIDED FAILURE.-Peter Her-

remain one hour is office after being great increase of the expenses of the partments at Wushington, instead of partments at Wushington, instead of the State and consequence of the State and litical blacklegs.

A Muss .- Grant has had a fight

Church, the Democratic nominore for Church, the Democratic nominore for Church and in an intelligent, proper manner.

The addition of almost three hundred and fifty negroes to the Radical accert 1,000; yet, Mr. Church carried it by 786! It is supposed that if there had been another negro delegate in the Radical Convention he would have received all the white would have received all the white votes, in the county and carried the county know, that he country know, that it by 786? It is supposed that if that city, on the 19th ultime. In the Radical Convention he would have received all the white votes, in the county and carried the State by not less than a quarter of a pillion. The willesseries is covered by larger majorities.

The nomination of General Radeau as Consult to London leaves only four matter of a pillion. The willesseries in the county and carried the State by not less than a quarter of a pillion. The willesseries is covered as Consult to London leaves only four another chance to marry.

WANTED. The undersigned and his wife such beastly cruefty to helpless in facts and his wife such beastly cruefty to helpless in the beastly cruefty to helpless in such beastly cruefty to helpless in such beastly cruefty to helpless in the beastly cruefty to helpl

The New Naturalization Hill.

Congress, having as it supposes, arranged the Constitution and the elecforeigner. Mr. Conkling, from the remarks;

eigners will find these provisions so of the revenue system. We have a Annested.—The loyal carpet-bag many difficulties thrown in their way.

Post-master and his deputy at Alex
10 fact Congress has for five years tent to pay that debt in any just and andria, Virginia, have both been ar past, exhausted all its talents in en-proper way, and will make reasonable shaved the orders of his superior of rested and imprisoned by the Post deavering to enfranchise the negro sacrifices to that end; but when they Master General, for opening other race, now however, it has taken a new see, as they have seen for years, an people's letters and robbing them of departure and is laboring just as zeal on their contents. They have been in ously to disfranchise the white race, "itching palms," in those who run the Now, of all ti whose votes and labor are likely to machinery, on the other hand, it is no played apon the commander of any the Public Schools of that city on a played apon the commander of any the Public Schools of that city on a whose votes and labor are fixely to machinery, on the current competition with the "gentle man from Africa," and Badicalism in the case may be likened to some of the commander of any the Fublic Schools of that the full equality with white children, and to the commander of the commander of the commander of the full equality with white children, and the commander of the comm particular. The white man must be a whose purpose is highly commenda fool, or blind, who cannot see the ble, and whose money, if it ever reach-drift of Radicalism at this day. Their es the beneficiaries, does a great deal object is as visible as the sun at noon. of good, but who yet lose in the transwait and see whether he is received.

If we do not mistake the signs of the times very much, he will be elected to Congress and the State Legislatures of agents as to make the affair a doubt of agents as to make the affair a doubt of agents as to make the affair a doubt of agents as to make the affair a doubt of agents as to make the affair a doubt of agents as to make the affair a doubt of agents as to make the affair a doubt of agents as to make the affair a doubt of agents as to make the affair a doubt of agents as to make the affair a doubt of agents as the sun at noon. in which they have a majority, is ly expensive one to the charitable

the white man and the country. satawacy, rost Master in the Benate And yet we habitually find revenue last winter, and who was defeated for officers distributed as the spoils of a bright historian he will make. He recommendation is their past party a bright historian he will make. He is as full of bigotry as a dog is of fleas at this season of the year. This "State Historian Department" is nothing more nor less than a nest of puting more nor less than a nest of put lic robbers. If the thing is not wound New York. The table is taken from royalty when American loyalty costs up by the Legislature next winter it the statement of the Secretary of the five times as much? Grant & Co., will have cost the taylors of the will have cost the taxpayers of the House resolution demanding a return millions than the Czar does to control State not less than balf a million of of the amounts due from collectors of dollars. It is worse than Bergner's internal revenue not now in office : Legislative Record. That child of sin A. M. Wood. STRANGE DEMOCRACY.-The Elk has only had its name changed, and Democrat, or other Democratic jour. Monks is the first-born under the new

NOT MUCH DIFFERENCE.-A heavy controversy has been going on between Loncoln's old law partner and constantly libeling the Democratic his late private Secretary, as to party and doing its best to destroy whether "the late lamented" was a S. T. Richted the institutions of this country. Why Christian or an Infidel. We do not R. H. A. suppose that it makes much difference now which he was, as his account has in been settled. We know there was a great deal of praying done for him by
Here, then, we have the amounts the world would come to a pretty the "loil millions" while he was perstill due from gentlemen no longer in the women all took to going around

ment in 1870 were \$611,890, against \$154,890, in 1867, and the amount paid for salaries has risen in that time from \$80,000 to \$167,000, and the State debt from \$6,000,000 in 1868 to \$14,000,000 in 1870. A mass meeting 1000,000 in 1870. A mass meeting was lately held, which was attended was lately held, which was attended.
