St. Andrew's Church—**Episcopal**—Rev. George Hall.—Public Service Sunday morning at 10 o'clock, and at 7 P. M.—Sunday School at 3 P. M.—Prayer Meeting Wednesday evening at 7 o'clock.

Presbyterian Church—Rev. Mr. Butler.—Public Service every Sabbath, morning and evening.

We publish elsewhere this week the Auditors' Report of Lawrence township Road Fund.

By reference to our advertisements it will be seen that one of our citizens wants to rent a house.

The School Directors of Lawrence will receive proposals for the building of three new School Houses.

Camp-Meeting.—It will be noticed by the programme elsewhere, that the West Branch campmeeting will commence on the 16th of August.

Our exchanges are pretty generally making mention of the fact that the locust trees throughout the State are unusually full of blossoms this season, indicating a large and bountiful corn crop.

Land Sales.—Treasurer Flegal held his land sale *twice*, on Monday, at which the unpaid tracts went off like hot cakes, and those who failed to pay the taxes due on their lands can do so now, and twenty five per cent besides.

Patriotic.—We are requested to announce that there will be an old style celebration in a beautiful grove near New Washington, on the 4th of July, 1870, to which the public is invited to attend. There will be speech-making and music to enliven the occasion; and those who feel like having a "hop on the light fantastic toe," will find that ample arrangements have been made.

Court.—Last week was probably the busiest Court week ever experienced in this county. His Honor, Judge Mayer and his associates were on the bench at 10 o'clock on Monday, and kept the "machine" moving until Saturday at 5 o'clock, during which time a large amount of business was done. The business this week from present appearance will not amount to much, for various reasons over which the Court has no control.

Recklessness.—Some of the boys frequenting the Railroad depot on the arrival and departure of trains at this place, manifest a recklessness that will ultimately result in their injury or death. They persist in jumping on the cars while in motion, though repeatedly warned by those of mature growth, and in the face of the many accidents occurring from similar conduct. If these reckless boys were treated to a good lampooning when thus caught exposing themselves to danger, we are pretty sure that it would be productive of some good.

Conjugal Affection.—The Philipsburg *Journal* says that a fifteenth amendment, living on Second street, amused himself on Friday morning, by kicking his wife out of doors, for which he was speedily introduced to our Burgess, and find in the sum of $2.50. It will indeed be well for the Burgess in question, if the "government" at Washington does not get to hear of this barbarious treatment of a "man and brother." It is as bad as Ku Kluxism, and therefore, is an abridgement of the freedom of the "colored brother."

The Fair.—The Executive Committee of the Clearfield Co. Agricultural Society which is to hold its eighth annual exhibition at Clearfield, on the 12th, 13th and 14th days of October, 1870, has adopted the following additional rules and regulations concerning membership of the same:

Every person wishing to become a member of the Society must apply on or before the 4th day of July, A. D., 1870, and, upon the payment of one dollar to the Treasurer, will receive a certificate of membership containing the name of the applicant.

Every person so enrolled as a member shall, on the presentation of such certificate and the payment of *one dollar* in addition, receive a ticket which will admit himself, wife and children under eighteen years of age, during the Fair. Life members of the Society will receive a similar ticket on the payment of *one dollar*.

Persons from other counties can become members by complying with above rules; ladies can become members by the payment of fifty cents, and the additional sum of fifty cents for a ticket during the Fair.

The West Branch Campmeeting.

The Third Annual Session of the West Branch Campmeeting of the Methodist Episcopal Church will be held on the grounds of the Association, near Wayne Station, on the line of the Philadelphia and Erie Railroad, commencing *Tuesday, August* 16, A. D. 1870, *to continue ten days.*

LOCATION.

The grounds are located on the waters of McKibbatan Run, a pure mountain stream, about one mile from Wayne Station, and equidistant between Philadelphia, and Erie, in a beautiful grove containing twenty-four acres well timbered with young, thrifty trees, well supplied with good water, and accessible from all parts of the Central Pennsylvania Conference.

THE TENTS

are permanent structures, two stories high, with good floors and shingle roofs. In these buildings what is considered one tent consists of space for sitting room in front, seven feet by eight, and sleeping apartment in the rear, eight feet by nine. For this amount of space $6 will be charged if on the ground floor, and $5 in the second story. The price of tents will be the same in all parts of the encampment. Some locations may be more desirable than others, but as the tents will be drawn or distributed by lot, all will be treated with fairness.

TIME OF DRAWING TENTS.

July 16, 1870, has been appointed for the selection of tents. All tents for which orders have been received before July 16 1870, will be drawn by the executive Committee on that day. A chart of the grounds, on which all the tents are distinctly numbered, has been prepared. The names of the persons will be put in one box, and the numbers of the tents in another. Then, after both have been well shaken, a name will be drawn from one box and a number from the other, and the number drawn will be the number of the tent rented by the person whose name has been drawn at the same time. If one person should desire more than one tent, the one next will be assigned, unless that number should be already drawn, in which case the drawing will be continued until a tent is chosen with a vacancy next to it.

BOARDING.

Ample accomodations will be provided for all who do not wish to furnish their own provisions.

The prices fixed are $7 50 for the term. $1 per day, or 50 cents for a single meal.

Special arrangements for children under ten years of age.

MISCELLANEOUS.

If persons desire they can have two tents, situate either side by side, or one on the first floor and the other on the second floor. All tents ordered must be paid for whether occupied or not. Persons ordering tents should state how many, and whether desired on the first or second floor.

The tents are furnished with bunks and straw will be sold at a reasonable price.

The tents have open fronts, hence sheets or other material will be needed for curtains, and also to separate the sitting from the sleeping apartment.

Sleeping accommodations will be furnished in the second story of the boarding tents. The bunks will be furnished with *straw only*, and 25 cents a night will be charged each occupant.

All tents ordered before July 16, 1870, will be furnished. Orders received after that date will be furnished only if there are tents still unrented.

It is the intention of the Association to have an efficient police force on the grounds to insure order and quiet, and to provide all accommodations necessary for the comfort of the guests.

The Religious Exercises will be under the care and control of the Presiding Elder of the Williamsport District.

All baggage should be distinctly marked: *Wayne Station, Philadelphia and Erie Railroad, care of West Branch Campmeeting Association.*

Letters ordering tents or desiring information should be addressed:—*West Branch Campmeeting Association, Lock Haven, Pa.*

Sanitary arrangements have been made so that the comfort and health of tent holders will be secured.

The following are the excursion rates, with the names of some of the stations from which tickets will issue:

It is said that Plymouth Church pays a dividend of 40 per cent. to the stockholder, and fashionable churches are now attracting the attention of capitalists; Jim Fisk and others having in view the erection of a temple and engagement of a preacher that will outstrip Plymouth and Beecher in fashion and sensation.

The Lewisburg Centre and Spruce Creek Railroad is to be immediately put under contract from Lewisburg to Mifflinburg, the people between those points having complied with the terms proposed by the company, the surveys having already been made, and the route located for the superstructure.

New Names for Old Things.—The Columbia (S. C.) *Phœnix* states that apart from differences of political opinion there are in South Carolina at present two distinct parties, "the robbers and the robbed." The same parties, unfortunately, exist in other places besides South Carolina.

At a church fair in Kansas city, a set of bedroom furniture was voted to a young lady, with the understanding that, if she was not married in a year, the furniture should be returned to the church. She is now on the warpath, armed with a bedstead.

Deceased.—The celebrated axe manufacturer, Harvey Mann, died near Bellefonte on the 24th of June, in the 66th year of his age. Mann's axes were as familar to the wood chopper, as Webster's Dictionary to the critic.

As the warm weather approaches, the danger of attack from disease increases, and a strict attention to sanitary laws is necessary for the preservation of health.

Young Men's Christian Association.—We have received from the State Executive Committee of the Young Men's Christian Association a pamphlet of over one hundred pages, containing the reports of all the associations in our State, and information as to the work and how to carry it on. From it we learn that the number of Associations in the State is sixty four, and that they are rapidly increasing—there being almost three times as many as there was last fall. The amount and *quality* of the work done has improved very much, and the record is highly creditable. It also contains a vast amount of valuable information on the work, articles on Prayer Meetings, Open Air Meetings, Cottage Meetings, Prison Work, Rooms, Libraries, Lectures, Music, Literary and Social Meetings, Conventions, Finances, &c., &c. It is published free, in the interest of the Association work, and copies may be had by addressing T. K. Cree, Chairman State Executive Committee, Pittsburgh. It ought to be in the hands of every Christian man in the State. The following are the members of the State Executive Committee; Thomas K. Cree, Chairman, Pittsburgh; Peter B. Simons, Philadelphia; Gen. Jas. A. Beaver, Bellefonte; Thomas H. Rabe, Pittsburgh; C. C. Shirk, Erie; H. S. Myers, York, and E. Franciscus, Harrisburg.

Our New County Superintendent.—Mr. Wickersham, the State Superintendent, after a "mighty dale of nice consitheration," has given us a new County Superintendent in the person of Hugh B. Eastburn, of Solebury. Personally, there is no objection to the appointee, who is a gentleman of good morals, and no doubt qualified for the position, nevertheless he should not have been appointed.—The late incumbent, Kirk, was a Democrat, and elected by a Democratic majority of the School Directors, and one of the same politics should have been appointed to succeed him. We are informed that Mr. Wickersham told Joshua Beans, Esq., some time ago, that when a Democratic County Superintendent resigned, he would appoint one of that politics to fill the vacancy, but he has gone back on his promise. The truth is that Mr. Wickersham had not the courage to do what was right, even if he was inclined that way. He imagines he is to be a statesman, and wants the Radical nomination for Congress in Lancaster, therefore he was afraid to appoint a Democrat lest it might hurt his chances. He had better go into politics as soon as he can get there, for his usefulness as State Superintendent is gone. We believe Congress to be the fittest place for him. Having thus shown the cloven foot, he is a fit person to step into Thaddeus Stevens' old shoes, and with a little association with Whittemore, the "model Congressman," he will be qualified for any position the Radicals can confer on him.—*Doylestown Democrat.*

Laying a Corner Stone.—The corner stone of the new M. E Church in Philipsburg, Centre county, was laid, with imposing ceremonies, on Thursday last. Several delegations of Masons, Odd Fellows, Good Templars, etc., besides a large concourse of citizens were in attendance, accompanied by two splendid brass bands. The new church will be a large and imposing structure, built of brick.

Died.
