CLEARFIELD, PA.

PASSING UNDER THE ROD. the young bride in her beauty and pride,

And the bright flash of joy mantled high on her chark,
And the fature looked blooming and gay;
And with woman's decertor also laid her fund heaft
At the shrine of industrous love,
the shrine of her home to this perioding earth, d she archared her hopes to this perishing earth, by the chain which his tenderness were, it I saw her when those heart strings were

And her bloom for the paleness of wos! But the Healer was there, pouring balo heart, And wiping the trars from her eyes, And he strengthened the chair he had broken it

twain, And fastened it firm to the skies: There had whispered a voice, 'twas the voice "I love thee, I lave thee! pass under the red!" I saw the young mother in tenderness bend O'er the seach of her slambering buy, And she kissed the soft lips, as they nearmared her

mame.

While the dreamer lay smilling in joy;
Of swoot as a rese-had encircled with daw,
When its fragrance is firing on the sir,
So fresh and so loright to the mother he seemed,
As he hay in his innecence there!
But I saw when she gazed on the same lovely form,
Tale as marble, and silent, and odd,
But paler and coller her becaufful hoy,
And the tale of her sorrow was told;
But the Healer was there, who had smitten her
heart

And the mourner will sweetly obey! There had whispured a voice, 'two the voice of her "I love thee, I love then ! pure uniter the root!"

I saw when a father and mother had leaned On the arms of a dear, cherished son, And the star in the future grew bright to their

grave,
Where their heart's dearest hope had been laid,
And the star had gone down in the darkness of

night, And the joy from their bosom had fled : But the Henier was there, and his arms And he led them with innderest care Two their star chining brilliantly there?

their God, "I love thee! pass under the red!"

-Mas. Dawa.

The Month of August. August has been here and gone, and

blush, which goes reddening up like sunshine along the mountain slopes. The bimebell peeps out in wonder to see such a land of beauty, and seems detection. What should be to slinke its fragilo bells with delight. In waste places, the tail golden rod, the searlet poppy, and large ox eyed daisy muster, as if for a procession, and there wave their mingled banners of gold, crimson and silver, as summer passes by, while the little eye-

bright, nestling among the grass, looks up and shows its white petals, streaked with green and gold. In the old Roman calendar, August bore the name of Sextillis, as the sixth month of the series, and consisted of away in the top of the tree, and waitin reforming the calendar of his nation extended it to thirty days. When, By all means, the talkative barber bot long after, August conferred on sor, Julius; so be prefered Sextillis as the month which should be honored has ever since been among all nations deriving their civilization from the

AN UNLUCKY BATH.

In a certain neighborhood of our parish there resides an intelligent young gentleman of prepossering ap-pearance and agreeable manners, who not many months ago became smitten by the charms of a blooming daughter al a near neighbor, a well to do far mer and after several weeks of unre-mitting attention succeeded in touchng a responsive cord in the susceptible heart of the fair damsel, and gained her blushing consent to become his wife. So far, so good. And had it not been for an unfortunate incident

"Rudely snapped the cord to twain That bound their bearts tegether," the same might be said of them that has been said of thousands of other foolish boys and girls, namely, they met, courted, and were married. But too soon to have his cup of bliss A little way below Mayence, on the right bank, Bieberich, with its beautiful castle, is situated. Some unlessignt core nitride cast, is the celebrated watering place, Wiesbaden. From Mayence to Bingen the river flows from cast to west, and then it taker of the following verse:

The free hall act have it.

The free hall act have it.

The free hall act have it.

The with the following verse:

the hedges, the sweet May-buds are dead and gone, and in their place the green have hang cradely upon the green have hang cradely upon the Maying among them now. Nearly all the field flowers are gone; the some dead with the manner of their place the more than the water formed and gone, and in their place the drew hall act have hang cradely upon the Maying among them now. Nearly all the field flowers are gone; the some dead with the manner of their place and gone, and in their place the drew hall be unfortunate watering place, which are to winters to witness the happy dead and gone, and in their place the drew hall act have hang cradely upon the Maying among them now. Nearly all the field flowers are gone; the beautiful feathered grasses that waved by a few days before the auspicious bour, our young friend concluded that

and sunshine are cut down and car- he would enjoy a refreshing bath in a ried away, and in their place there is creek that ran within a short distance of his home. Acting upon the thought Many of the birds that sung in the be wended his way to where a large sound broke upon his ear. Hark, 'twas the ripple, not of the water, but more than one hundred yards distant, indeed! If he remained where he was the ladies would be sure to see him, and if he wought safety in flight do? Ah, happy thought I there was a the thick moss and leaves "With friendly guise Would hide his form from prying eyes."

No sooner said than done, and be ing careful to keep the body of the tree between himself and the girls, our young friend, in less time than it ladies to go by. Unfortunately, how ever, is the burry and excitement of the moment, he forgot his clothes which, lying on the bank, attracted the attention of the girls, and, with They gave free play to their imaginations and their tongues, and not a few by bearing his name, and August it they indulged while submitting the gurments to a critical examination -Matters, however, did not look so funny to our "man up the tree," and fearful of being discovered, he resolv-ed to change his base and secure a better position. In doing this he innot strictly proper. Use no profane ing after the coast was clear, our here
