

the wet weather sets io.

His influence has done much towards inducing a number of wealthy gentle men to locate among us, who have helped grantly in building ap the prosperity of the city. He is charitable to these in need; 2 true friend and most gental companion; courteous to rich and poor without distriction; a pleasant neighbor and a useful citizen respected by all, and popular with the elected. We hope this will be elected to the country. What a stapid and bestited lunes, have all mellion of victims have and entarities, and on it with such energy that party mit with their lives, and in all reasonable probability, another on it with such energy that party manners are causes kings among its legislators. Let the poo

friends among the Republicans have declared their intention of supporting him. His nomination is admitted by overy disinterested person to be the most judicious that could have been made in the present exigency. If the Democrates of the district will politically have put in the present exigency. If the fall their fall took parts of the district will politically have put in the present exigency. If the fall took parts of the district will politically have put in the part of the same as with prefer Judge Marvin to Judge State. The contract has been let to experi, because the least attracts the vaport-located by concerning the results of the same as the part of this contract has been let to experi.
