Reimbold's Column

The Kidneys me two is unmber situated at the upper part of the lein, sucrounded by fat, and consisting of three parts, via: the Autolor, the Interior, and the Exterior

The autorier absorbs. Interior consists of the sum or voins, which serve as a deposit for the urine and convey it to the exterior. The exterior ts a sunductor also, terminating in a single tab and called the Ureter. The streters are c

The bladder is composed of various coverings or timues, divided into parts, viz: the Upper, the Lower, the Norvens, and the Mucous. The upper expels, the lower retains. Many have a desire t wringte without the ability; others uringte without the ability to retain. This frequently occurs

To care these affections, we must bring into action the muscles, which are engaged in their various functions. If they are neglected, Gravel WOOD AND WILLOW WARE! ие Эгорну шау евкие. The reader must also be made awars, that how

ever slight may be the attack, it is sure to affect

the holily health and mental powers, as our finds

and blood are supported from these sources.

GOUT, OR RHEUMATISM.

Pain occurring in the loins is indicative of the shove diseases. they some to pursons dispose to acid atomach and chalky concretions.

THE GRAVEL.

The gravel ensure from neglect or imprope ent of the kidneys. These organi weak, the water is not expelled from the bladder, but allowed to remain; it becomes foverish, and ediment forms. It is from this deposit that the stone is formed, and gravel onsues.

DROPSY.

Dropsy is a collection of water in some parts of the parts affected, viz: when generally diffused ever the builty, it is called Anaxaren; when of the

TREATMENT.

Helmbeld's highly concentrated compound Extract Burtra is decidedly one of the best remedie for diseases of the bladder, kidneys, gravel, dropsical swellings, rheumatism, and gouty affections Under this head we have arranged Dysuria, or difficulty and pain in passing water, Scanty Score be promptly filled by experienced and skillful tion, or small and frequent discharges of water; workmen. Strangary, or stopping of water; Hematuria, bloody urine; Gout and Rheumatism of the kid- BRASS, COPPER, OLD METAL, RAGS

and all unnutural calargements, as well as pain Look out for the Big Sign-opposite the resi-

PRILADELPHIA, Pa., Feb. 25, 1867.

Duan Stu-I have been suffering for unwarof twenty years, with gravel, bladder and kidner medical presurations, and been under the treat ment of the most eminent physicians, experiencing

Having over your preparations extensively ad. A. verticed, I consulted with my family physician in regard to using your Extract Buchs. I did this bossues I had used all kinds of adver-

getting well, and determined to use no remedie breafter unless I knew of the ingredients. It was this that proupted me to use your sensely As you advertised that it was composed of buchs, autoba, and juniper berries, it occurred to me and ary physician as an excellent combination, and, with his advise, after an examination of the artiele, and consulting again with the druggist, I con sluded to try it. I sommeneed its use about eight months ago, at which time I was confined to my gratified at the beneficial effect, and after using it bree weeks, was able to walk out. I felt much time, but thought my imprevement might only he temporary, and therefore concluded to defer and see if it would effect a perfect cure, knowing then

I have not used any now for three months, and feel as well in all respects as I ever did. Your Buche being devoid of any unpleasant taste and offer, a nice tonic and invigerator of the system, I do not mean to be without it whenever ceration may require its use in such affections. M. M. McCORMICK.
