Wednesday night last. About 12 o'clock at night commons passing through the front parlor discovered that there was fire somewhere and upon examination discovered that the building was on fire between the floo and the wainscotting, the alarm being given the element was soon extinguished. It was a very marrow escape indeed. How the fire originated is still a mystery.

Wm. D. Righer.

the street, but continuing its eries one of the family repaired to the front door to accertain what was the matter, when to her surprise abe discovered a make shild about a mouths old wrapped up to a chawl on the front porch. The child was taken in and properly cared for. The Judge with an officer sophessian friends weat forth to find the godless mother, and in a short time found a female sit the Leanned House, who, answering the description of one who had same in the none train carryton of one who had same in the none train carryton a shild, but had put up at the Manulon House, Inquiry being made at the latter botted it was found that the woman with the whild pull the bill and had left in company with a man who had called for her a little after dark. This was rather damaging proof against the famale in question.
