coin to sign his patent. It was never signed, however, and now lies void in the Iand Office at Washington. Why it did not get issued during Johnson's Samuer's Orence, Charfield, Pa., Nov. 2, 1878. term does not appear, but it did not though in 1868 the House of Repre- Cook STOVES: Garraham to buy in the land at \$1.25 GOV. PENN.

The bill failed in the SenNonle COOK. sentatives granted the petition of M' ate, and so the job descended to the present administration. Since then, SPEAR'S REVOLVING LIGHTS the Dent and Forney people at Wash-ington second to have formed a single second to have formed a single second to have for sale by ington seemed to have formed a ring sage 15 H. F. BigLen & co.

to carry M'Garraham's claim through Congress, finding that they could do nothing with the Interior Department and the Attorney General. They succeeded so far as to induce Secreta. ry Cox to wait until the House Judiciary Committee had passed upon M'Garenham's business, which was done, last summer, by a vote of seven to three, rejecting his claim. About In an evil hour the President pub. this time, Mr. Cox, having seen a letlished to the country his statement ter from one of M'Garraham's attorthat it was the M'Garraham job that news offering to dispose of part of his led to the dismissal of Secretary Cox claim for "influence" in the depart-If this was true, it was scandalous; if ment, thought it time to act upon the untrue, still worse. The result is that repeated decisions of the courts and we are having a complete exposition of Congress and dispose of the case of the whole case of Dent and For. finally. In this decision he strengthney's client, the notorious M'Garra ened by the opinion of Judge Hoar, ham, in whose behalf Grant interfered which, though dated June 22, was with the regular course of business in probably known in substance to Dent the Interior Department. The Port a fortnight before, may have helped land Advertiser, the Cincinnati Com. Gen. Grant to make up his mind as mercial and other papers that have to when his Attorney General should access to the facts, are now making resign. It is, at any rate, very sinthem public, and they are exceeding gular that both Hoar and Cox should ly damaging to the enemies of Secretary Cox. Nor do they leave Gen, action on this job of Louis Dent's. On Grant himself in a very enviable position. Those brothers in law of his Cox wrote to Mr. Wilson, of the Land on both sides-Corbin and Dent-are Office, a long letter on the subject of

anng consulships five thousand miles ordinary course of business to take off, it would be better for all concernance is Louis open, who has been hanging around the New Liria Mining Company for a patent, notifying M'Garraham or two and getting his brother-in-law into trouble. The M'Garraham claim, of which Dent is the most influential agent, involves a tract of flur Spannels may be filed by cither party, and at the expiration of which lengues in area, situated in Monter of the law and the facts of the application of the law and the facts of the application of the Mulay and Circular Saw-Mills, as to DRESS GOODS—we have a splectid assertment of Alpaess, black, white, and in colors, Lenures, Silks, and in short all the newsate the Mulay and Circular Saw-Mills, as to DRESS GOODS—we have a splectid assertment of Alpaess, black, white, and in colors, Lenures, Silks, and in short all the newsate the Mulay and Circular Saw-Mills, as to DRESS GOODS—we have a splectid dassertment of Alpaess, black, white, and in colors, Lenures, Silks, and in short all the newsate the Mulay and Circular Saw-Mills, as to DRESS GOODS—we have a splectid dassertment of Alpaess, black, white, and in colors, Lenures, Silks, and in short all the newsate this fart to done at an early day, to be fixed by Golder, Tailow Cops, Oil Cops, Gauge Cocks, Air Cocks, Globe Valves, Check Valves, Greek Valves, Greek Valves, wrought iron by our prior to which time testimony or arguments may be filed by either party, and at the expiration of which party, and at the expirat off, it would be better for all concern-ed. His present nuisance is Louis the New Idria Mining Company for terey and Fresno counties, California, as your views of the law and the facts about one hundred and twenty-five may warrant, and proceedings had

most useless for agricultural purposes.
With its improvements, it is worth, perhaps, six millions. It was first claimed by one Gemez, a government clerk in Mexico, who is proved to have forced to have forced in the force of the perhaps of the perhaps and smoking, and called upon him to interfere, which he did, in the letter of Angust 22, allows for Mexico, who is proved to have forced in the perhaps of the pe have forged titles to Mexican lands.

He declared that he got a grant of it

General Grant has seen fit to publish, from Mexico in 1844, but lost the papers confirming his titles when the urged to consult the Attorney General, town of Montercy was captured by Gen. Taylor. In 1854 our land commissioners rejected his claim on proof

Grant was satisfied with the advice

CLEARFIELD

CLEARFIELD

selling SQUARE TIMBER and manufactoried LUMBER, and will give this branch of business special attention, and therefore make it an object to every one who has Lumber to sell to that Gomes had never occupied or even seen the land, and decided that the title to the property was in the hands of the United States. The District Attorney of California, in 1857, good wishes of nine tenths of the traded off his title in consideration of American people, but followed by the half of the tract for himself, and the "little digs" from Dent and Forney, to execute all orders in their line of by half of the tract for himself, and the district court, in that year, awarded the land to Gomez, who immediately sold it to M'Garraham. The New Idria Mining Company claimed it are very much mistaken. When he are very much mistaken who, latterly, seem to have enlisted to the manufactor of material for house hullding, such as the material for house hullding, such as the material for house hullding, such as the material Idria Mining Company claimed it against M'Garraham on proof of actual possession since 1852, by settlers to whose rights they have succeeded, and under a law authorizing mines and mining companies to preempt lands when the San Domingo question, Russell Young on the Alabama claims, Chandier and Cameron on the Indian policy, and Forney on the M'Garraham which they have occupied and im. cy, and Forney on the M'Garraham proved. This claim would be per-fectly valid if the title to the land were clearly in the United States. It was on this point that Secretary Cox was taking testimony, or preparing to do so, when Dent persuaded the There is something to be said in ex-President to interfere. The leading cuse for him, but little or nothing in the mining controlled in the mining controlled
