Letter from Knox. NEW MILLPOUR, Dec. 21, 1870.

Mr. Knitzer Chi. Several economications from different parts of our econity as publishes in the county papers, the thought coentred to see that the witters would have you think that their bones in the best, that on other parties of the county could compete with them. But as judgment has not yet been given as to which is heat, may not knee come is und claim as independ in the country of the county you have not begotten that there is a kneer. If however you have, let me extending to you the records of an Proyou Campbell, as they were made during the reign of Abraham. Behold those large Portal (or a record of thous) as they appear upon the records. But should you still doubt the existence of a Kneer, examine the election returns, or your subscription list; each will tell you in thunder tonce that there is a Kneer.

I do not propose writing a history of our town ship, or beaut of what it has done, or can do, but suffice it to say that knex is niways at home. Perhaps some of our friends are anxious to know

sentee it to say that Knox is always at home. Perhaps some of our friends are anxious to know what has become of those Ports! They, like the party that constructed them, have erget into their holes. I tell you, Mr. Editor, those fertifications though they were serve reisible have made an impression upon the oniods of our efficient that time unly can ergae—the preaching of the notarious, the Captain (for he is now a preacher) can never have the effect. At a M. E. bush meeting held in our township hast fall an attempt was unade to bring about a preonciliation, but like oil and

blends.

We hope that when you come to make up your verdier as to what portion of our county is best, if any, that Knox will not be the mudail of the
