

detail, sometime during the spring, so that citione and School Directors can see at a giance what sum each district is entitled to. Rownyism.-This evil seems to be Beef, fresh..... Sig

gaining ground in this borningh, and if no antilots is applied, those miscellancous street longwis will end in riots and mander. Those gaugs of young men who seem to enjoy themselves ones. (ionally by making day and night hidrons by their bachanalian revelvies, and insulting la-dies, must be taught a becom. We intend these remarks for those nice yoney men in our town as Eggs well as those who belong to log exmps, hoop pole and abook shops. There must be no distinction made by the authorities in this matter. The ourrective rod must be applied to all alike. Transgreasors must be made to respect the law, or these nity will continue.

of rowdies Wednesday night, is a step in the right direction. We learn that the party was taken before Eq. Porter the next day and charged with riot, and after a hearing each was beld in the sum of \$600 for their appearance at the next term of court .--We hope this case will escape the smuggling procose so often applied in similar cares. many" is the tribunal before whom the evierances are to be heard and adjusted, let the cash inure to the benefit of the invalted community, instead of individuals, which is too often the case, If Courts and Justices allow the community to be blackmailed for the beneft of individuals, they may as well grant license to an occasional rist and har-room knock-down. The latter is po more a violation of law and sound morals than the former. Within the past month three dis tinet cases of personal insuit to ladies, while promenading our streets in broad daylight, have been brought to our notice, Therefore, if this rowityem is not suppressed, sumshady will get hues, or se are very much mistaken in the temper of this

pointmunkty. A HEAVY JOB .- The County Com loners have been angaged for two weeks past in equalising the Triennial Assessment. After much taker they susceeded in obtaining the aggregate number of sures of improved land in each buyungh and turnship, and atter fixing a stand-

between individuals in the same burough or township. The board has been competted to raise the ship. The based has been composited to raise the assessment in 37 districts and lower it in three, so as to produce uniformity. The result in the ag-gragate more than doubles the value made by the IN WORKMANSHIP gragate more than doubles the value made by the Accessors, and the property is still far below its real rains. While this announcement may alarm the limit taxpayer, we can at the same time in form him that the Board has realised the mills to test than one half of what they wave last year. Hence, his taxes will be no more, unless the As-sesser raised his property. The Board alter pro-tion may realise the first the first section of the s gragate more than doubles the value made by the ing on every place of land, applies the same rule. to each horse, mule, cow and every man's occupatins; the labor of which we one can fully realize with a passes over and examines the 2,000 them are Agency for the most Celebrated Partor Organs contained in the duplicate of Brady township. At ter deing this, he can lock around and ace only WHALDAM KNABE 4 CO. twenty mine more left, not quite so large, it is true

but a continuation of the same reflection-"here is more work paid for, but only half done." unsested has appears to be in a worse condition this the wated. To illustrate: The Assessment of a township returns all the unsented lands therein at 50 per area. Some traver have assessed a time in large or small quantities, to sail purchasers. at \$5 per sers. Some tracts have searcely a pine tree to the sare, while others have a rall on a sers. The former, therefore, is not worth the one half at which it is arreased, while the latter worth twenty times that some. How is that for
