

GEORGE B. GOODLANDER. EDITOR AND PROPRIETOR.

CLEARFIELD, PA.

WEDNESDAY MORNING, MARCH J. 1871.

Democratic Meeting.

gross will wind up on Saturday next, propensities. but its infamies will last while the youngest member lives. We rejoice

not "loyal" at that, hence he attracts but very little attenion these days .--Had he remained "loyal," or com-

all the same officers who held position the members from those States not of the Harrisburg Union.

"chiseled" \$13,000 out of the Treas- them badly bruised. After Mr. Howury. It seems that they hired an ard got out there were two passen-Italian sculptor to do the work, for gers still left in the ear, Mrs. Nash, which he was paid \$7,000; "Vinnie" housekeeper for Mr. John Day of this which he was paid \$7,000; "Vinnie" place, and Mr. Day's daughter Fan and her Congressional friends coolly pocketing the extra \$13,000. This brakemen, Ed. Gibson, succeeded in ernor Cartin during the last year of ling held in the system of "chisching" is termed by reaching the child and escaping with his administration. He was also for There will be a Democratic meeting held in the system of "chiseling" is termed by reaching the child and escaping with the administration. He was also become the control of the Court House, at Clearfield, on Tocsday evening. The loyalists "native talent," and they reach the flames. All efforts to many years the able editor of the rescue Mrs. Nash from the burning Pennsylvania School Journal. In February 1871, at 8 o'cleck, for the parpose of appointing Senstorial and Representative Conobject to the interpretation, from the left his engine and came back to the presidency of the State Agricultural March 21st, 1873, at a o'clock, for the purpose of cannot see why the lax-payers should car were unavailing, until the engineer appointing Sanstorial and Representative Confact that Ben Butler, the school master scene. As soon as he was told that to the District, whose duty it becomes to choose a of the party, has thrown the Bible there was a woman in the burning material and Representative Delegate to the apand Webster's Dictionary out of the
window, and he and his party are
flames and soon reappeared with Mrs. working under a code of law, morals Nash in his arms, horribly burned, March 1, 1871.

NEARLY WOUND UP.—The legitimate affairs of the Forty-first Conserved will wind up on Saturday and the state of the forty first Conserved will wind up on Saturday and the state of the state of the forty-first conserved will wind up on Saturday and the state of the state of the state of the state Legislature, we shall wind up on Saturday and the state of the state of the state Legislature, we state of the state of the state of the state Legislature, we state of the state

that the funeral day is so near at hand. Good bye, Grant, San Domingo and our "colored brethren."

Spuing Elections.—An effort is and Mrs. Nash was conveyed to the Biddle House and Dr. Craigan was called in. Upon cutting off her clothes tions. The grounds for this move-DEAD.—Col. John S. Monroe, Mayor of New Orleans when Butler plundered that city, died at Savannah, Garon the 24th, where he removed after the being released from prison by Butler. being released from prison by Butler. He was a brave man, but came to his men to forsake their work, and of death through the instrumentalities of that national sheak thief and moral outlaw.

the ballots and make out the returns slightly burned. Mr. Howard had than to compel six hundred thousand is injuries dressed here, and returned to Williamsport in the afternoon recurse lose a day, while a portion praise of Mr. Ellis Hyman, the conspiculty of the train, who did all in their power class, too, who should hasband their train, who did all in their power. GEORGE WASHINGTON-"First in time and resources for the use of their to save and relieve the sufferers.

STUPIDITY.—We have understood that men are sometimes compelled to the face, boldly and without the least manded a British regiment, he would "walk Spanish," but it is stated that hesitation leaped into the midst of none of Grant's Commissioners whom the burning wreck, disappeared an he sent to San Domingo can talk instant from sight, and in another in-

Mayor George M. Lauman, a promin the last body. No members will inent politician and railroad contrac-be present from California, Connecti. tor, died at Reading, on the 22d.
