The Experiment.

Four years ago Congress conferred the right of suffrage on the negroes in the District of Columbia, and through Me the District of Columbia, and through them the National Capital has been governed. To show that the "loyal millions" are atready sick of their experiment, we need but refer to the fact that by a late Act of Congress the District of Columbia is transformed into a Territory, endowed with a Governor, Legislature and such other of ficers as complete the organizationall appointed by the President. This has been done to get rid of negro voting and negro officers. To get back to first principles, and to further de.

the feelings of all white men who favor popular government to fever heat. What safety is there for the liberty of the citizen, or property.
