

A WEDDING .- In Washington on

JUST ONE HUNDRED .- The entrance Washington of three Democrats from New Hampshire, on the 22d, gives the Democrats just one round hundred menthers of Congress to forty-loar rour years ago. These one hundred men will operate as a breastwork against which the tide of Radical fanaticism may bent for the next two years, and upon whom the "old Union savers" can depend for a restoration of "Virtue, Liberty and Independence."

called on Gen. Grant to "halt" in his career. The "government' has halted, and appointed the said Forney Collector of the Port of Philadelphia.

"My two papers, both daily," have been far more effective in this instance than in the days of Andrew Johnson. How hamiliating to know that the chief magistrate of this great Republic his mark to the most portion of the Bouthorn States. He chief magistrate of this great Republic ham of the Southern States. He chief magistrate of this great Republic ham of the Southern States. He covered hypothesis and the powers of the Congress with a message on the condition of the Southern States. He chief magistrate of this great Republic is the mark took of the Mental States, and the powers of the Congress with a message on the cowardly buffoon. Batter, the declarate that his cowardly buffoon, Batter, the declaration of the Southern States, that the learned moral ideas," which controlled the striumvirate in the past? Is there the first feed of the striumvirate in the past? Is there the first feed and protection as, in the striumvirate in the past? Is there the consider the Government, which upholds snot a Legis and Western Republicans on revenue and tarriff issues. The revenue republicant of the most portion of a Jockey Clath. On the most parts and Western Republicans on revenue and tarriff issues. The revenue republicant of the most portion of a Jockey Clath. The who is the most portion of a Jockey Clath. The way of giving contracts, and farming out offices—might and the most portion of the Republican party, are formers, who are for the most portion of the Republican party, are formers, who are are for the most portion of a Jockey Clath. The majority of a strip of a giving contracts, and farming out offices—might and the satisfied with the Republican party, are formers, who are strip out offices—might and the satisfied this triumvirate in the past? Is there a more godiess crew in power anywhere (except in San Domingo,) on earth? Their beasted "loyalty," like the harlot's virtue, seems to be for the Laily secure life, liberty and property in all parts of the United States. No specific remedy is named to the barlot's virtue, seems to be for sale. Hence the terrible moral afflication which over langs our beloved ded by Federal troops in a time of agricultural, will be combined before the terrible moral afflication as in time advances on revenue and tariff the independent of Congress, shall effect issues. It is certain, too, that the majority of our people look upon him with shame and diagnet mighty West will soon overrule the majority of our people look upon him with shame and diagnet. New England protective policy which has controlled the government for the barlot's virtue, seems to be for sale. Hence the terrible moral afflication as in time advances on revenue and tariff the independent of Congress, shall effect issues. It is certain, too, that the majority of our people look upon him with shame and diagnet. New England protective policy which has controlled the government for the majority of our people look upon him with shame and diagnet. New England protective policy which has controlled the government for the majority of our people look upon him with shame and diagnet. New England protective policy which has controlled the government for the majority of our people look upon him with shame and diagnet. A least the majority of our people look upon him with shame and diagnet. A least the majority of our people look upon him with shame and diagnet. A least the majority of our people look upon him with shame and diagnet. A least the majority of our people look upon him with shame and diagnet. This will be verified in the next President to start the majority of our people look upon him with shame and diagnet. A least least the majority of our people look upon him with shame and diagnet. A least least the majority of our people tion which over leangs our beloved ded by Federal troops in a time of land. So low is the moral tide that when a set of sharpers have rubbed and plantage of the south and west, both being agricultural, will be combined before long against the protectionist section.

The South and West, both being agricultural, will be combined before long against the protectionist section.

The South and West, both being agricultural, will be combined before long against the protectionist section.

The South and West, both being agricultural, will be combined before long against the protectionist section.

The South and West, both being agricultural, will be combined before long against the protectionist section. der foot by military power. No natter when a set of sharpers have rubbed and plandered a religious abook concern" of thousands of dollars, the vitilians cannot be exposed, though a majority of the Bishops and all the clerical Congressmen take hold of the exposed, though a majority of the Bishops and all the clerical Congressmen take hold of the exposed to first the people, and Status within its own earns, how camp, how can we expect Congress or State Legislatures to be released from high positions we have a right to nak, and those in authority, in Church as sharped as shows the dangerous tendencies of the Radical All the construction of the state of the sharper of the same and the consideration, the same the sharper of the same alterion, and the state are the same alterion and state of the House related that those people all spoke the German language and were anxious to be released from French government.

It would have been a master move, and those in authority, in Church as sharp, earnest debate, the dangerous tendencies of the Radical State, are bound to answer them.

The idea that such men as Cameron and Forney, who have both been expected from high positions for corruptions of the state of

The idea that such men as Cameron and Forney, who have both been expelled from high positions for corruption, should again be elevated, is outrageous, and can only be justified by a late "book concern" investigation a bick came off in New York.
