and all. The Journal says:

Occurations and salaries.—We clip the following from an exchange. The act was approved June 2d, 18712

The law imposing a tax on occupations and salaries, in this State, was repeated by our Legislature, a fact which seems to have escaped the notice of some of the afficials in this construction. These, however, may be faults of a negative character, and are of the least rather than the heart. But have been sent to our serveral citizens with the occupation tax charged upon them, which shoes that the existence of this new have is not generally known. We give below the set as it was passes, that the existence of this new have is not generally known. We give below the set as it was passes, that the existence of this new has its not generally known. We give below the set as it was passes, that the existence of this new has its not generally known. We give below the set as it was passes, that the existence of this new has its not generally known. We give below the set as it was passes, and now standard once its study howses. The state over the question of remodeling as improved April twenty-infine. Anne Do min one thousand eight hundred and forty-four, as importing a tax of two per centum on exercised dilars, or persons hedding public office or offices, held under corporations; also, so much of the act and the question of remodeling at importance and professions, over two hundred dollars, is thereby repealed.

Just so. But taxes assessed and due in April are not necessarily wiped out by an act of Assembly approved.

Ittinois Speaks. The New York Sun says: The Republican State Central Committee of Illinois held a special meeting yester much, but it must be raised and paid

Passing over the flagrant usurpaday. The object was to prepare for tion of authority that would be involved the State campaign this fall, but the and will of course be imposed on the borses and cows of farmers and me position the utterance of such a senti evidently have the good of the great borses and cows of farmers and mechanics.

This repealing act is one of the very dirty tricks done by the Legislature last winter. Those who advocated the Attorney General. Therefore we last winter. Those who advocated the open and the act of the very dentity have the good of the great ing pension papers, was on the 2sta national Republican party at heart, as it would be presented in the case for they expressed the opinion that to pay a fine of \$2,000 and to fourteen person to make a successful run on the Attorney General. Therefore we last winter. Those who advocated the Attorney General. Therefore we ian experienced in Government affairs.

This action is timely. The Republicans of New York will receho it.-A The shameless character of the Milianything good for either party we Judge-fer in such a matter the At fail to see it.
