CLEARFIELD, PA WEDNESDAY MORNING, NOV 29, 1871.

HISTORY OF THE UNITED STATES.

While countless ages slowly passed away.
The western world in healthm darkness lay.
The God of nature here had interwined
The grandest feasternes of our globe designed.
Huge mountain systems rose in towering might,
With peaks illumined by coleans light.
Lummbered rivers through the tranquil land,
Flowed onward toward the distant, stemy strand
irreat, entrangth rowed down with thundered
formst categories is never down with thundered

And cavers yamned for miles beneath the ground Fresh water lakes spread out among the trees, With all the seeming of vast intend seas; Rude, savage tribes possessed the vast domains Of forest wilds and thoming prairie plains. But cultivated minds of early times.

But moldering cities time's dim deeds recall Where tottering turrets crushed and crumbling HENRY RIBLING,

JAMES CLEARF, Griden and made in order of the made in theories transmit to us alone, what trainful history has never boom. East of the Minesship's turbed great of the Manisship's turbed great. And south of where St. Lawrences water's gleam, with habite fixed, unalterable, vile, or strangely mixed with rectitude and guile, Divided into triber and coving round, Eight Indias families the while men found. The Algenquir peers seed a wast extent of this great section of the while men found. The Hurse, frequents and Cherokee, Mobillan, Natches, Sioux and fierce Uebee, With the Catawake, former this other hands who secupied our wide Columbian lands.

with the Catawkar, formed this other hands
Who occupied our wide Columbian lands.
As ornaments they belts of wampans wore,
Which served as carrency the country e'er.
They coalped their enemies with awage gine;
Their women led a life of slavory.
With bank of frees they had or wigwams made,
And war and hunting formed their leading trade
The Joanna and the form here unduried.
Are different from those in the eastern world;
Now genera and species for and wide,
Late unfuld varieties divide;
And everywhere from Nature's hand outpours
The most prolific and abundant stores.
The Europeans long had sought a way,
By sea alone, to distant India.
Columbus aimed this wished for route to gain,
Ry buildly crossing o'er the western main.
For eighteen years at many courts he tried.
To have essentials for his plan supplied;
When Isabulia of the Spanish throne,
Came nobly forward to his aid alone.

When lendship of the Spanish throne, Came nobly forward to his sid-alone. With three small versels and but ninety men, He on his daring project started then. About five weeks had alongly circled round, When with smears his fundest hope were cown october twelfth in fourteen minuty-two, The late of Guanahani came in view. CHARLES SCHAFER,

Aldress Woodland P. O., Clearfield Co., Pa. Were captured by our daring privateurs Were captured by our daring privatents.
The war was ended by the glorous scenes.
Lipon the liattle field of New Gricains.
Our formen Packenham and Kasne were slain,
Among their contrates on the cypress plain.
Two thousand ment this right the British cost.

The news arrived about the Peace of Chent, Our next great conflict was with Mexico; But Scatt and Taylor scon o'creams the foc. Our gallant army every buttle gained, And golden partients of their land obtained. At Palo Alto first we gained the day, And next of Resars, and Mosteroy; Vera Crus, and all at Horna Vista, The strong golds of their ancient capital. New Status were added as the years went on, And all alarms of owning was were gues. And all alarms of coming war were gone, But brightest skies are cometimes overcast With darkest storms and devastations xast. As time progressed there came a fatal day, When a mole met again in mad array. The two Cabats came erer to explore
The two Cabats came erer to explore
The northern section of the eastern shore.
Then Veryannt and his hardy crew,
And Cartier, emme to make discoveries too.
De Soto in the conquest of his fore.
First reached the line where Mississippi flows,
And Gazunid seeking Massahusetts shore.
The reaches emilioned a thousand leagues or mo on heatile fields in fratricisal strife mation struggled for a nation's lif-he North uprose—defiance ruled th

A mation straiggled for a nation's life. The North uproses—define relied the hour, The South was crashed beneath prevailing pos When four years was our country men had wony And near three hundred hattles had been foug And seas of blood had left their crimeau stains On hastioned heights and Southern sattle-plat Where fall four hundred thousand true and it Sons of the Union for the Union died. The couffict proved in mere Confederation We are not, but a living, central Nature, Secure alike from all exernal foes, And civil war's immeasurable weer. If errors through our want of skill ceeur, Our progress they can never long deter; And Gaunoid seeking Massachusetts sincre. The route emidenced a thousand leagues or more Sir Walter Rabeigh, favorite of Queen Bers, Eengvel a colony, without necess.

A century passed, as history relates, With none to settle the United States. But by and by, with energy imprired.

Two noted companies the land sequired: And in the progress of succeeding years, Had founded many homes of pineaeus.

Within the nation's hounds as they are traced In cartier times, in permanent array: The first, St. Augustine in Fordia, A Spanish settlement of old renown, Succeeded by the English at Jamestown.

St. Marry's was established in the South; New Amsterdam quite near the Hudson's mouth. The Mayllower's persessued Pilgrim flook Of exiles, lambed here on Flymouth rock; And Roger Williams, som exiled from thence, Near Narsyments from the refer the list be secred upon there first we find If errors through our want of skill occur, Our progress they can never long deer; For Providence directs the holm and prow, Of thirty seven States dulted now.

What startling contrasts later ages show, To what appeared four hundred years age! Where steamers plow our water courses through, Were seen alone the land Mean torch same. Where forests waved for countries mike around, Are feetile belds of coltivated ground. Where was a gested the descripted of the product spires and towers and clies rise. So larce avents that long have passed way, Invention and importantent's rooting worth, Make this the happest portion of the carth. Here Coil and Sharp their arins of war prepared McCormick's Respect qual fame has shared. The Carton strin by Whitney was designed; And "Hose Less, fact" records the masch of mine Fire thomsand periodicals we read.

Supporting views of every sect and creed. Our literary resords proudly show.

Near Nagragament founded Providence.
This is the sacred spot where first we find.
Religious Tolerance to mankind;
Where Church and State were in no way combiBut every one could think as he inclined,
With the inaliculate right assigned.
To worship God according to his mind.
In Christian recitinds was settled them,
By deeds of prace, the hard of William Penn.
The stars of his correspond affords. The story of his government affords Unbroken faith with all the Indian bordes. Supporting views of every sect and croad.
Our literary remains proudly show.
The works of Irving, Cooper, Prescott, Foe,
Bancroft, Bryant, and Longfellow's name,
All grandly certed by the wreath of fame.
In painting we have Copier, Transmit, West;
In senipture Powers is probably the best.
Twas Fracklin brought the lightning down for
Heaven;
And Morse the Telegraph to man has given;
Transmitting messages from cline to clime,
Add in effect ignoring space and time.
Pall fifty thousand nulse of railroad hind
our land like iron siness intervised.
From gulf to bakes, by steams expansive force,
From sea to sea proceeds the iron horse. Anner Oglethorps to Georgia led the way,
And thus the States were formed in fair array.
By emigration from the distant Energ,
The population rapidly increased.
With fire and sword and toil surrounding them,

Where nestern set ther countless wrongs endured, And Canada the British King sourced. But troubles weightier than the Indian wars, Were desumed to break out on our devoted shores.

oys the blessings which his toil has won,

No titheman ever confiscates his store; Such tampires live not in our nicrant shore. Untrammed by all creeds and syrants vales. We read the flittle in our homes and schools,

Of the great Day to every patriot dear, Where or our starry learner is unfuried The pride and hope of an admiring world. Curwensville, Pa., 1871.

heaven.

Had aimed to tax us without our consent; And hireling tecops were moved across the To help reduce us to a state of slaves.

Two then the Boeton Massacre occurred; the Revolution was not long deferred.

On using nathing sroughy taxed intent, Some fifty men disguised as Indians sent And into Boston Harber them the tea, Which appear about and flusted out to sea. The multilary movements were begun. Which numberless heroic deeds comprised, And where brave Warren's life was sacrificed.

Thomdorage during Allon gained;
Crown Point by him some after was obtained.
An ill-farred expectation moved away.
To meet the for in distant Canada;
One percend the cents by Lake Champlain.
And Arnold marshed arrows the woods of Maine.

is an evergreen.

A manifesto of the rights of men; Our declaration to the Powers of Earth, Of Independence and a Nation's birth. Their fortunes, lives and secret honor, all Were piedged to thus support their country's And so with patriotic arrior fired, Desolation in South Carolina.

And so with patriotic arter fired,
And to with patriotic arter fired.
The patriot's were soon compelled to meet
Long Island's sad and terrible deteat;
Succeeded by the long and forced retreat
Arrays the Jerseyn, with the Joss complete
Of both the forts of Washington and Ice.
At Harlem Plains we gained a victory.
At Treating we re-crossed the Delaware,
And cantived may not thousand liceniase. of both the forts of Washington and Lea.
At Hariem Pinlis we gained a victory.
At Tection we re-crossed the Delaware,
And captured mar one thousand licenians there.
At Princeton, too, the victor's wreath was won,
By our trave army, led by Washington.
At Bennington the foe was forced to yield,
And leave us in possession of the field.
At Saratoga, near the Hindson's thore,
When its decisive battle-cente were o'er,
Birgoyne surrendered to intropid Gates,
Who lid the troops of the Lutted States.
Who lid the troops of the Lutted States,
Who lid the troops of the Lutted States,
Who lid the troops of the Lutted States.
Twas this great victory for our arms which made
The King of France accord us friendly sid.
When Banddy wise and Germandown were forght
A rest the two contending armics wought,
At Valley Forge our gillint troop appear,
In winter quartors till the following year.
To tell the privations suffered then,
Is far beyond the power of tongue or pen.
Howe's army captured Philadelphia now;
But Franklia said the town had esplured Howe, as
We next behold the Meschainza day.
When Clinton came, and Howe was sent away.
The British left the Pennaylvania lands,
And marchest across the healed Jersey sands.
At Memorath, Washington accalled their force,
And drove them onward in their destined course.
Three Massacres we notice in the gloom
Of the Pasoli's horrid initinght doom,
Wyoming's vale—to fearful to minte—
And Coarty Valley's worse than mardered fate.
But Wayne at Stony Point retrived the first;
And Sullivan the cavages dispersed.
The Bonne Homme Bichard on the English coasts,
Definance offered to the British bests;
It deeds transmitting to the latest age.
Paul Jones's name to history's brightest page.
Now Arond hasely sought a traiter's plea,
To sell the country he had fought to free.
His blood had twice been shed for human right,
At Questhee's citadel and Behmis' Heights.
By fancied wrongs impalled the plotter sold.
His daring treaton destined was to fail.
And Andre auffered his the patriot lials.
But Paoliting, Will spies, and of night attack and arrest lina .- Patriot. In many cases poor persons who have been falsely accused Were long engaged in many a warlike score. While Sumpter's force and Marion's little land, in freedom's cause maintained a noble stand. King's Mountain, Camden, Guifford. Charlestos may
With Eutaw Springs, he named in this array.
Among the noblest of far dictant climes,
Who came to our support in darkest times,
Deksth, Palaski, Steaben, La Fayette,
And Kosciusko we mant not forget.
The singe of Yorktown with its wild alarms,
Besure the grawning glory of our arms.
Thou came the prace we arkently desired,

Then came the peace as ardently desired, When right years bloody conflict had expired The search for that great Ku-Klux Fo save inevitable dissolution, The States adopted next a Constitution; And under it eighten Administrations
Have placed as first among sulightened nation
From Washington who thus was first rewarded
To Grant whose living deals are last recorded.
The Louisians region's test extent
Was bought when Jefferson was President; Was bought when Jefferson was President;
And Florisis was purchased long ago,
Through the engestry of sage Mouron.
Great Britain proved our earny agels.
And senrebed our vessels and impressed our me.
So in defense, though mainly unprepared,
Our government against her war declared.
The traitor Hall surrendered Michigan
And all his army to the British class;
But Brown and Seatt removed the unition's stat
By winning Chippewa and Lundy's Lane.
And Harrison achieved the granded aims,
Is the important battle of the Thames.
Then Eric's lake celebrity obtained,
When Perry's famous victory was gained; mountainous and less fertile regions of the State. Many of them are bardly mountaineers who have had disputes with revenue officers for seizing their little stills in the hollows and Then Erie's lake celebrity obtained,
When Perry's famous victory was gained;
Where every exact of bold Barday's mass.
Was confined with its armanent complete;
The prisoner taken when the fight was throug
Were more in number than our gallaut erem.
To us the fight at Queenstown heights was lost
Champlain and Plattsburg both the British cost
Though Bladensburg resulted in defeat,
From Baltimore we drove the British fleet.
Of nilecteen maya! Battles of this war,
We galaxi fitten—the British only four;
Thus on the seem vanquished and dismayed,
Thuir merchant cryter tehest tribete paid;
For lifteen hundred vessels in three years,
Were captured by our daring privateurs. ciety, and make despotism tremble.

almost fractic to see the companions of their youth soaring far above them. The disappointed woman has the faculty of alienating her friends, and engendering violent detestations in the heart of her enemies. No one can say more bitter things than she The picture of woc and desolation in South Carolina is too pitiful for contemplation. All the calamities of which that unbappy Commonwealth is the victim spring from the unchastened love of arbitrary power which fills the breast of Grant and his unscrupulous advisers. The plague of fire which has desolated the far west is scarcely more terrible than the afficitions of that State. From all the accounts that reach the north, the effects of Grant's imperial sukase in can, no one can be harsher to those fects of Grant's imperial cukase in and other valuable property. The stage, (another coming on in quick separation may, in the first instance several peaceful districts of South plunderers are now in New York car. carolina have equalled the most sanguine expectations of its authors. Attorney General Akerman has performed the task allotted him with an energy and military skill that do justice to his training. As judge advocate on the staff of General Toombs, while holding courts martial, he learned the terrible effect of the system which he is executing. A panie fear has been detraided by the cheaply created in South Carolina over which radicalism may well exult. Whole districts have been derauded by the cheaply-portant of the radicalism may well exult. Whole districts have become depopulated. Thousands have fled in dread of the there is no darker page than that does this he is thought to be doing a control of the sum of large, is rarely may, by the way, be under the great-restore, through himself or bondsmen, a portion of the amount stolen. If he there is no darker page than that Thousands have fied in dread of the there is no darker page than that does this he is thought to be doing a them. She would not, however, inconsequences of the tales of perjured which records the fate of South Caros great deal; indeed, the feeling goes jure them in any way—except, of of stoien property by a thief after he never keeps a particular acquaintance is found out as a meritorious act, and for a lengthened period. She quarhave been compelled to fly and leave their families at the mercy of their persecutors. The county jails are choked with innocent victims who and a special co partnership of German are subject to every species of maltreatment in order to extort from of the Mount Saint Gotthard tunnel, together escapes the odium (as well as ber life is one continuous round of them confessions of crimes of which was signed on October 10th. The they have no knowledge. The woods and swamps are filled with fugitives. Switzerland and the other governments and swamps are filled with fugitives.
