How you may save your dollars; The way to do it I will show, If you will read what follows. A man who lived not far from here, Who worked hard at his trade, But had a household to support That squandered all he made.

I met him once. Says he, "My friend, I look threadbare and rough; I've tried to get myself a suit, But can't save up enough." Says I, my friend, how much have you? i'll tell you where to go o get a soit that's sound and cheap:

To get a suit that's sound an To REIZENSTEIN & Co. He took what little he had saved, And went to Reizenstein & Brothers', And there he got a handsome suit, For half he paid to others. Now he is home, he looks so well, And their effect is such. That when they take their dully meal, They don't eat half as much.
