PUBLIC REVIEWS.

Is the T2d day of February, the birtheday of "the first in war, first in peace and first in the hearts of his countrymen"—Washington. This fast age, however, seems to care but little for the day or the hero. The immerations made by several initators and their friends upon the day are quite visible in more than one sense. Patriotism, morals and the river of these, and with five experiments of the Morrisdale Coal Co. struck on Tuesday, the T3th. The cause of the suspension is the demand of the miners for a change in the weighing bosses. This was refused by the superintendent, and they forthwith "canne out." The company are firm in their decision not to yield, and are taking measures to eject those miners cocupying their temporative of the branches pursued in the schools have been much for higher warges, it will probably not effect other miners. Philipsburg Journal.

COOLING.—The Harrisburg Patriot says the ise in the Susquebanna river is thicker this winter than it has been for years past. At that point it averages afteen inches. At Williamsport it is reported two feet thick, and at Muney, where it is being cut out to make place for a beon,

Specials.

Mr. Entrum:—Pablic reviews have been much more frequent the present winter than ever before. The head and make in interest and inches of instruction the pleasant more frequent the present winter than ever before. The head and make the present in interest and in interest and in the attendance of visitors. I have been predict in subset, in interest and in the ten of them and with five of the should at white, but they have greated in subset, but they have greated as well interested and instrumental, included. Good boarding further of the tens of the strength in makes a requisite and faithful.

ANOTHER STRIKE—The day or the head or the pleasant in interest and in muner, in interest and in the twen of the subset of the should and intrumental, included. Good boarding further of the should and intrumental poblic for the curry of the term? It give for the term? It is give
